

SONGS OF LEADERSHIP 1967

Sung To The Tune Of "Sunny"

Bony, '67 climbed your highest peak.
Bony, you never ever really made us weak.
Now the hot days are gone and the cool days are here
We never really had any fear...
LEADERSHIP '67, OUT OF SIGHT!

Bony, '67 climbed your highest peak
Bony, you never ever really made us weak.
Our spirits were high, but our canteens were low
Our feet were real tired, but we're boss, don't you know...
LEADERSHIP '67, OUT OF SIGHT!

Peter, you led us on the hike on the very first day,
Breuer, you led us through the fields the rest of the way
The words to this song have a drifted away,
It's XX years ago, so we'll fake it today...
LEADERSHIP '67, OUT OF SIGHT!

Sung To The Tune Of "The Ants Go Marching"

We're Leadership '67, here we are, we are,
We've come back down from Bony Ridge, hurrah, hurrah!
We're Leadership and we've come to say
That is was tough, but we found our way.
Here we are at CHK, today, alive thank G-d, we made it!

Our purpose was to unify, hurrah, hurrah!
We made new friends and we got by, hurrah, hurrah!
With _____ & _____ we wanted to find
Spirit and hope and peace of mind
Here we are at CHK, today, alive thank G-d, we made it!
