

SONGS OF LEADERSHIP 1988

Sung To The Tune of "One and One"

One and One

We're having some fun

On the hike

All day and all of the night

Two and two

We sang songs with Hugh

On the hike

All day and all of the night

Three and three

We had to go pee

On the hike

All day and all of the night

Four and four

We slept on the floor

On the hike

All day and all of the night

Five and five

We made it alive

tastes great

On the hike

All day and all of the night

the night

Eight and eight

Lorna Dunes

On the hike

All day and all of

Six and six

We got our kicks

On the hike

All day and all of the night

the night

Nine and nine

2 abreast in a line

On the hike

All day and all of

Seven and seven
We beat you by eleven minutes
AGAIN!!!
On the hike
All day and all of the night

Ten and ten
We'd do it
