

## SONGS OF LEADERSHIP 1990

### Sung To The Rap Of "Can't Touch This"

Chorus: We hiked this (3x)

My, my, my alarm went off – at 5  
Made me happy to be alive  
Grabbed my bag and packed my stuff  
We knew the hike would be rough  
We're clean, but not for long  
Got on the bus and sung some songs  
We got there, attacked by bees  
Soon we hiked through trees (Chorus)

Hi, hi, hiked to Mount Boney – was hard  
Made me say "Oh my lord"  
Why did you let me go?  
Hurt my ankle and stubbed my toe  
We fell but still had fun  
And we baked by the sun  
We got down to the pool  
Couldn't go in, we had to drool (Chorus)

Water fight! Wow, oow (2x)  
NOT! There's a drought!

Circle X, hiked lots of miles  
Then we went to the Grottos  
Came back, had blisters on our feet  
Ground so hard we couldn't sleep  
It was cold, and we were shivering  
We were wondering how we were living  
Oh no, here come the 'coons!  
Why are we sleeping in the boons! (Chorus)

It's cold! Wow, oow (2x)  
STOP! Day 2!

**Sung To The Rap Of “Can’t Touch This”** (Continued)

We hiked – Yerba Buena Road  
Too bad it wasn’t cold  
We were steaming, hot as hell  
We were lucky, no one fell.  
Poison oak to the left, poison oak to the right  
The beach was not in sight. (Chorus)

Let’s swim! Wow, oow (2x)  
STOP! Jaren’s drowning!  
Let’s swim! Wow, oow (2x)  
STOP! Justin’s drowning!

On the beach, tackle war  
Contact kissing and a whole lot more  
PCH to CHK  
Wrote down this song to sing today (Chorus)

Wow, oow (2x)  
STOP! Shower Time!

**Sung To The Tune Of “For What It’s Worth”**

Here’s what happened to us  
We climbed Mount Boney with no fuss  
There were spiders – we had to beware  
Poison oak seemed to be everywhere

Chorus: Stop, hey, look around  
Someone just scored a tushy touchdown!

We climbed up so many hills  
Every stop getting water refills  
Echo point was totally hip  
We had fun yelling things like LEADERSHIP! (Chorus)

**Sung To The Tune Of “For What It’s Worth”** (Continued)

Papa Hugh was sucking on wheat

Tony's songs just couldn't be beat  
Alana saved us from the racoon scare  
Justin's gum got stuck in Mandy's hair (Chorus)

69 people in the wheat  
Beth and Jaren's hair still looked neat  
Adam and Hugh were going too fast  
And Ann kept falling on her little... (Chorus)

The last mile seemed to be so long  
We peed in the bush, not the john  
The sight of the beach we'll never forget  
Cause Craig got it all on his camera cassette (Chorus)

That night we watched the sun set  
The next morning we woke up all wet  
Leadership made their way to CHK  
The best of friends is what we'll always stay (Chorus 2x)
