Leadership 2025 Hike Song

To the tune of See You Again by Tyler the Creator

Okay (6x)

oh

Counselors shook us awake
Relocate my campsite
Katherine made me wanna fight
Made our way to dixon lake

Every time max flips his page it fills me with rage, with rage
Callin eli mullet daddy (zaddy)
I don't know where jazmine went

20 20 20 20 5
Cant believe we made it out alive,
I Saw Ethans feet one too many times
I said I said im sicka sicka sicka sicka hiking
UC Irvine writing club is climbing,
We can only braid challa's so many times

Can I get get drink
And can it be a matcha
Willy wonka in the dark
Don't know if we'll see jazmine again

I said can I get a break (pee break)
Im boutta tickle eli (mullet daddy)
Cartel got to jazmine (cartel)
Don't think we're gonna see her again

Ok ok ok ok ok

MIA AND ZOE:
I said ok ok okie dokie my impersonation
Transforming into another form or arielle

LARA:
Oh yeah Oh yeah Oh yea i aint catch you
I've been looking, stop the waiting
For I stop the chasing like a dog

ELIOT:
They call me f-b ellie
Which frat you tryna be
Its them salty ahh steaks
Colin pack up all them fries

JOSH:
When is metro droppin
Nature peeing with a scene
I will give up my tastebuds to have the steaks one more time (ugh)

20 20 20 20 5
Cant believe we made it out alive, i
Wonder why we keep blaming josh all the time

Sicka sicka sicka integration
You're the one dropping all the ev-i-dence
Why does Dr. fun only come out at night

So
Can i get a snuggle (with the boys)
And can you make it last forever (can you)

Lships bout to get muddy (muddy)
Will we be in escondido again

Can we hike again (can we)
And can you make it last forever (can you)
Lships boutta be over (bout to)
And i dont know if imma see you again

Ok's and la's
