

SONGS OF LEADERSHIP 1989

Sung To The Tune Of "Iko, Iko"

Our counselors and our campers
Hiking up the mountain
Everyone really wanted a drink
From the water fountain

Chorus:

Talkin' 'bout schvitzing, schvitzing, schvitzing, schvitzing
Hike-o, hike-o all day
We're gonna hike and not smell nice
Hike-o, hike-o all day

Get to the campsite, look around
Hike-o, hike-o all day
Bugs all around and we're worn out
Hike-o, hike-o all day (chorus)

Second day hike, told a dirty joke
Hike-o, hike-o all day
Now we're back to pump it to you
Hike-o, hike-o all day (chorus)
