

SONGS OF LEADERSHIP 1995

Cheer

Leadership '95 are you out there?

Leadership '95 - Mommy Wow! I'm a big kid now! Do Do.

Sung To The Tune Of "A Whole New World"

Boys: I Can Show you a hike,

Stinky, sweaty and reeking

Tell me were you peeking when I changed late last night

A whole new hike,

With many falls to take

And Adam to tell us no, and where to go

And Keep us single file

Girls: A whole new hike,

Squatting, stinking, no mirrors

Now that I brown and gross

it's ob-vi-ous

that now I'm on a whole new hike with you

Boys: Now I'm on a whole new hike with you

Girls: Unbelievable bonds,

Indescribable friendships

Falling, tumbling and tripping on an endless rocky trail

A whole new hike

Boys: Don't you dare return to camp

Girls: A whole new hike

Boys: A whole new hike

Girls: Will you please not choke

Boys: Or get poison oak

Everyone: With Leadership!

Sung To The Tune Of "I'll Be There For You"

So no one told you it was going to be this hot
We're drinking Evian - camp water it's not
We got out of bed at five o'clock
Packed into the steak truck now we're ready for our walk

I'll be there for you, when your head starts to pound
I'll be there for you, if you fall on the ground
I'll be there for you, 'cause you're there for me to

And so we're hiking up Mount Boney in a line
Some of us are dying, some are doing fine
When we are stopping all the time to rest
Sunburned, smelly, sweaty, gross, It puts us to the test

I'll be there for you, with some water to share
I'll be there for you, just to show you I care
I'll be there for you, 'cause you're there for me to

And so miles later we arrive at Circle X
Slurp apple juice, hang loose, we really are a mess
We sleep with burrs and ants as day one ends
And we wake up the next day: start the hike again

I'll be there for you, when your feet start to slide
I'll be there for you, hiking right by your side
I'll be there for you, 'cause you're there for me to!

Sung To The Tune Of "L'Chayim" From Fiddler On The Roof

To hike, to hike with Adam,
With Adam, with Adam we hike

With the beach far from sight, we'll try with all our might
Just with Adam, to hike

Dizzy, throwing up, complaining, smelling like a dead man lying on the
ground
The beach is not over the next hill, if we ever get lost will we ever get found?

To hike, to hike with Adam,
With Adam, with Adam we hike

My back is red and burning, everyone is yearning to be back at camp
Napped at Circle X and hiked to the Grottos man we really had some fun!
The poison oak is irritating
Plus the fact that we were in the scorching sun

To hike, to hike with Adam,
With Adam, with Adam we hike
To sleep on the beach sand, lending a helping hand
To hike with Adam.

Sung To The Tune Of "Yellow Submarine"

In a camp, called CHK, lived a group, called Leadership
And they started on a hike, to test, their friendships

Chorus: Oh, we all went on a Leadership Hike
A Leadership hike, a Leadership hike (2x)

Three weeks ago, we came to camp, not knowing, what we would see
But then, we went on a hike, to the top, of Mount Boney (Chorus)

So we hiked up, Mount Boney, and down, the otherside
'til we came to Circle X, to rest, by fireside (Chorus)

In the morning, we awoke, and we ate, scrambled eggs
We continued on the hike, soon enough, we had sore legs (Chorus)
