

SONGS OF LEADERSHIP 1972

Sung To The Tune Of "I'd Like To Teach The World To Sing"

We'd like to teach the camp to hike,
Way up Mount Boney Ridge
Our Leadership of '72 had the privilege
The second day we were met by good ol' Steve Breuer
When faithful Bernie brought the drinks we felt much cooler

Chorus: That's our Leadership (yeah, yeah)
Of 1972 (Hay, Hay)
And as our spirits grew
Our blisters did too! (First Time)
Our unity did too! (Second Time)

We hiked and hiked through winding roads
And even poison oak
Through blazing sun and dusty trails
We all wished we were soaked!
Then good ol' Barry Broad threw up - 7 big long times
We had to watch out for giraffes
We all had a real good time

Chorus

Sung To The Tune Of "Teach Your Children"

Teach, your hikers well	So we, of Leadership
Or their feet will swell, in the blistering sunshine	Went on a trip, way up Mount Boney
So pick, your feet up high	We helped, each other out
Or the dust will fly, into your friends eyes	In times of drought, and none were lonely

Chorus: Don't let your spirits die	
If your canteen should run dry	Chorus
You certainly would cry	

Just keep on truckin'
Point Magu
you

Through creeks, and
meadows too
From Sanchez Ranch to
So we, have proved to
Our Leadership of '72
Chorus

Sung To The Tune Of "Weave Me The Sunshine"

Chorus: Leave, leave, leave them some sunshine
We don't need it all
Save us some breeze and some shady trees
Fill our Canteens tall

The sun, way up in the sky
Shine on us again
And again and again and again and again
And again and again (Chorus)

Leadership, kept their cool
Even when hot
And when we happened to get thirsty
We said, "go suck a rock!" (Chorus)

While hiking through the beautiful meadow
On the bank of the creek
Wyle, Rick, Greg and Dave lost us all
They were playing Hide and Seek (Chorus)

Leadership of '72
Is very unified
And now we're back at Camp Hess Kramer
We're joining you Junior High (Chorus)

Sung To The Tune of "Sunshine Go Away"

Sunshine go away today, it's much too hot for hikin'
Leadership of '72 is going to take it smilin'

Chorus: How much more to go? We'll make it
 The miles seen oh so slow, we'll fake it
 I can't even move my own tush I'll be damned if I'll push yours
 Leadership

Sleeping underneath the starry skies, ants crawlin' up my thighs
Boney, Sanchez, the Point Magu, We'll be done in a day or two (Chorus)

Sung To The Tune Of "The Raisin Song"

It's leaders that make this Leadership so wonderful
It's leaders that make this Leadership so fabulous
It's leaders that make this Leadership so spirited

More leaders, lots more leaders
More leaders, than you have ever seen before
If you want leaders, strong sturdy leaders
You'll like this Leadership More
