SONG OF LEADERSHIP 2022

Sung to the tune of "Lost" by Frank Ocean

Nature poos,
Where is the toilet paper?
Is that rain?
Put your bags back in the truck
And I just want to know
Have you ever seen a spider that big?

Has anyone drowned in this lake?
Going in might be a mistake.

Yeah we're Lost.
Lost on the leadership hike
Yeah we think we're lost
Lost on the leadership hike
Beef sticks, foot injuries, lunch in a fort, lost.
Adam's runs, rattlesnakes, dynamic stretching.

Got our beef sticks
Pork is so it's not kosher
God bless our heroes
Peaks restaurant? We see it at the top
No we don't really hike
But Katie doesn't either fosho
Nor have I ever, have I ever let you throw rocks

Yeah, we're Lost
Lost on the leadership hike
Yeah we think we're lost
Lost on the leadership hike
Dogs out, tarantulas, buttsies, feetsies lost
One, two, Twenty-two, girls bags have been, lost

Yeah, we're Lost
Lost on the leadership hike
Yeah we think we're lost
Lost on the leadership hike
The Rock Maze, Boy Scout Camp, Tahquitz Peak, lost

South Ridge Trail, Lake Hemet, lost on the hike, lost
