

# SONGS OF LEADERSHIP 2002

## Sung To The Tune of "Faith"

Well it wouldn't be our hike  
Without those extra miles  
'Cuz we have gone the farthest  
And played the hardest too . . .

But we gotta think twice  
To find what rhymes with besticles  
We love our lime popsicles  
'Cus we're L02

Oh' yea, we used our Gold Bond  
And our gauze was tampons  
Time to pick the pace up a little more!

Yea, we've reconsidered - our confessions  
You might have pee'd on us  
But we can't hold ours anymore

'Cuz you gotta close the gap - the gap - the gap  
Oh yea - you've got to close the gap!

## Cheer

Leadership are you out there?

Leadership 2002 (Clap) Gone farther then ever...  
To Infinity and Beyond (with hand motion)

Leadership 2002 are you out there?

Leadership 2002 (Clap) So the duck says, those are MY pants  
What does it mean? I can't remember!
