

SONGS OF LEADERSHIP 1962

Sung to the tune of "Over There"

Here we are.

Best by far.

Leadership '62 here we are.

We had high hopes

We climbed Bony's slopes

And now are back to lead the camp.

Here we are.

Here we'll stay.

And we're proud, very proud we can say, that

We're Leadership (Rah)

Leadership (Rah)

Leadership of '62 (Rah, Rah,Rah)

We are leadership of '62 all of Kramer knows us well,

We show our great spirit in the things we do,

Ask anyone they will tell.

As we climbed up "Ole Mount Bony" all of us did really swell,

Leadership of '62 will be the best forever,

We are leadership '62.
