

SONGS OF LEADERSHIP 2000

Coming On To The Stage

Excuse me Kramer, do you know who this unit is? We're the best, we're the greatest

We're Leadership 2000!

Now Leadership, put on your orange sweatshirts and let's be on our way.

Kids in Davina and Leadership vill, 1,2,3,4

Craziness is our greatest thrill 5,6,7,8

After all that's said and done 1,2,3,4

L2K is number 1 5,6,7,8

L2K, what a thrill, L2K what a thrill...

Hike Song

We're going on a hike, we feel alright

We're gonna spend 3 days in the sun

We got on a bus, we screamed and we cussed

'Cause L2K is number 1

The best part about being in Leadership

Is our prerogative to have lots of fun (fun fun)

B-O-O-O

We're Leadership, smell our pits

Dirt in our hair, bugs everywhere

B-O-O-O

Wanna be free and feel the Gold Bond breeze

Cuz man, we smell like a trash can

On Stage Cheer

Bring in the noise, bring down the house, L2K will make Kramer bounce,
So come on come on let's raise the roof, raise the roof and watch us move!

Going Off Stage

Say our name say our name, we're Leadership 2000 and we're always
bouncin'

Better say our name

L2K, L2K, we're always actin' crazy, even if we're lazy,
Better say our name - Leadership!

LEADERSHIP 2000 ARE YOU OUT THERE?
LEADERSHIP 2000, WHERE A KID CAN BE A KID!
