## Cheers

Leadership '99

Float like a butterfly, sting like a bee!

## Cuidado

Cuidado, cuidado, cuidado (ch, ch) (3 Times)

All the boys in the house say "Cuidado" - cuidado

All the girls in the house "Piso Mojado" - piso mojado

Boys: Cuidado Girls: Piso Mojado (3 Times)

(dance)

## Sung To The Tune From The "Juicy Fruit" Commercial

Get your spirit riled up

Get a group of 52

Leadership's gonna move ya

We are yellow

We are bright

L'99 is gonna knock you out of sight

Leadership is gonna move ya

The song we sing will get right to ya

Leadership of 1999 is gonna move ya

YEAH!

## Sung To The Tune of "Chumbawumba"

I wear yellow, and I'm in Leadership, in Leadership '99

I wear yellow, and I'm in Leadership, looking good and feeling fine

We eat French Fries, we drink lemonade.

We use mustard, we eat bananas

We live in Tamar, Bat Sheva and Emuna

We live in Solomon, Zebulon and Abel

Oh Leadership '99, 1 - 2 - 3 (clap)

## Sung To The Tune of "Cool Runnings"

"Will the Leadership bobsled team please report to the starting gate"

Feel the rhythm, feel the rhyme, L'99 it's Leadership time (4 Times)

YELLOW RUNNINGS!!!

Leadership are you out there?

Leadership '99 - Don't eat yellow snow!

**Sung To The Tune of "YMCA"**

Havurah, we were once in your shoes

I said, Kehillah, we were down in the blues

But now we're Leadership of '99

And we're feeling oh so fine

Uh, uh, uh, uh

It's fun to be in L'99

It's fun to be in L'99

It's a big yellow deal

Eating yellow at meals

Colored like a banana peel

It's fun to be in L '99

**Sung to The Tune of "One" From "A Chorus Line"**

One, Leadership sensation, every little step we take

One, Gold Bonding temptation, Every stop that we make

One hike and we enjoyed some of that KYBO stew.

We were led by Master Yoda and you know who!

One, smelly combination, every little sweat we take

One, Kramer destination, it took 3 days to make

Ooh-Ahh - I got another blister

Ooh-Ahh - I think I saw him kiss her

We are, we are, we are

Done!

**Sung To The Tune of "My Heart Will Go On" from "Titanic"**

Every day on our hike, I see you, I smell you

Once more, you fall to  
the floor

That is how I know we'll hike on

But you're here on the

some more and  
Sleeping at Circle X, invaded by insects  
That is how I know we'll hike on

hike  
And we must walk

more!

Seat, reek and hike to the peak of Mount Boney  
It seems really far

### **Sung To The Tune of "What's My Age Again!"**

We woke at five, on that Sunday morn  
To take a hike, that we've been waiting for

We tried real hard, and it wasn't that bad  
Until we got to Split Rock

And that's about the time the stench began to rise,  
Our legs were hurting to no surprise  
And then we hiked up Sandstone Peak,  
All the guys had to leak

The JAPS were complaining, "how many miles left?" (2 Times)

And later on, We got to Circle X  
Checked out the KYBOS, and found they were a mess

Went to the grotto, and it was really cold  
And then a frog jumped on Luanne

And that's about the time we ran away and screamed,  
We all were tired and wanted to sleep  
But in the morning we were woken up by horns.

What's wrong with wanting sleep?  
But Yoda was ready for the beach...

Let's go to the beach (2 Times)

### **Sung To The Tune of “All Star”**

Somebody once told me to hike to Mount Boney  
With 58 of my closest friends  
We were looking a-ok, when we left from CHK  
With the shape of an “L” on our foreheads

Well, the hills kept coming and our hearts started pumping  
Got to Circle-X and we all stopped running  
Didn't make sense to hike in the sun,  
So we all sat down and had some fun!

So much to do, so much to see,  
So what's wrong with taking a YELLOW bus?  
You never know if you don't go, so hike down to the grotto

Hey now, we were hikers, in Leadership 9 - 9  
Hey now, we were hikers, smelling bad but, feeling fine

And all that bonding was gold, hike of '99 broke the mold  
BZZZZZ...  
And all that bonding will hold, L '99 broke the mold!

### **Sung To The Tune of “Eye of the Tiger” - LV Guys**

Hikin' up, without any street, took my time, took my chances  
Went the distance, now I'm back on my feet, an LV man and his will to  
survive

Past Circle-X and Sanchez Ranch, it was really dirty  
Don't lose your grip on that rocky path, you must fight just to keep yourself  
alive

Chorus:     It's the eye of the hiker, it's the chill of the night  
              Risin' up to the challenge of Mount Boney  
              And all of us men will run in when you eat,  
              And this word will always be heard...Myachi!

Single file, out in the heat, stayin' tough up the incline

Everything hurts and there are sores on our feet,  
and we have to listen to everyone whine (Chorus)

**Sung To The Tune of “Eye of the Tiger” - LV Guys (Continued)**

Risin’ up, straight to the top, hope Libby isn’t too lazy  
We had a bond, that was like gold, It was really, really, really, really crazy  
(Chorus)

Duh...Duh.....The eye of the hiker (2 Times)

**Sung To The Tune of “Hit me Baby Once More Time” - LV Girls**

Oh Buck and Adam, how were we supposed to know  
That we’d wake up so early?  
We packed our bags, and made our way to the bus  
With Terry at the wheel

Tell me, why am I so smelly,  
When we’ve only been hiking for 10 minutes?  
I have B.O.!

My blistered feet are killing me,  
And I, I do not know when it will end (Echo-It will end)  
My face is dirty, I feel a zit; give me some Clearasil!  
When will we get back to camp?

We set up camp at Circle-X, half past one  
And hiked down to the grottos  
We peed in KYBOs and ran out of toilet paper,  
And all of us were ticked off

Tell me why there’s no ketchup, left for our hotdogs  
We will eat our s’mores now  
They are yummy!

All of the guys were Gold Bonding  
And we, just wanted to try it, for the night (Echo-For the night)  
It’s really stinging, I feel a chill

Please let me sleep...  
Keep those boys away from me!

**Sung To The Tune of “Out On A Saturday Night” - LV Counselors**

Howard Kaplan, he was there, with first aid kit in hand.  
He drugged us all with Motrin as we hiked across the land.

Chorus: Singing songs to your counselors, far from the dining hall  
If you've never been out on a Leadership hike  
You've never been out at all

Harry Sam, he was there, peeing all the way  
Not hearing a single questions about the very next day

Gina Goran, she was there, she gave us all a laugh  
The girls asked for Oxy pads, she said “they're just for staff!” (Chorus)

Ally Gabriel, she was there, trying to make a match  
She had an easy time because we're such a good batch

Adam Blumberg, he was there, with water in a sack  
When we asked for a sip, he told us to get back. (Chorus)

And Suzanne, she was there having done the trail before  
Was always calming, reassuring even at the shore

Horwitz, he was there, always hiking last  
Whenever we stopped to catch a breath, he felt the arctic blast! (Chorus)

Phat man Jack, he was there, never very weak  
He fluffed his afro, tightened his shoes and vanished down the creek (Chorus)
