

SONGS OF LEADERSHIP 2014

Cheers:

#1 – Done Twice:

Ice cold ships on frozen streams
It's two thousand fourteen (two-thousand fourteen teen)
I can't even feel my feet
It's two thousand fourteen (two-thousand fourteen teen)

#2 – Done Three Times:

Sub-zero ship sub sub-zero ship (2x)
Iced out unit like we're sub-zero ship
Camp snowed in 'cuz of sub-zero ship
Zip up your coat 'cuz it's sub-zero ship (SHIP)
Sub-zero ship sub sub-zero ship (2x)

#3 – Done Twice:

If there's ice in your veins
It's the ship (it's the ship)
When the blizzard comes through we're equipped (it's the ship)
When the climb gets tough we never slip (it's the ship)
And the leaders of this camp never quit (it's the ship)

#4 – Done Three Times:

Our hands are cold
Our hearts are warm
Leadership 2-0-1-4

#5 – Done Twice:

(Clap) Sub-zero frozen like an iceberg
66 campers roll in like a blizzard (Wut?)
Fresh inside (Wut?)
Crisp outside (Wut?)
Got frostbite (clap) it's the windchill

HIKE CHEER

LEADERSHIP HIKE 2014 ARE YOU OUT THERE?!?

LEADERSHIP HIKE 2014 (CLAP): We don't got chalk, but we got mud!

Sung To The Tune Of "Love is an Open Door"

Girls: Do you have any bug spray?

Boys: We love bug spray!

All this hike has been a series of bugs in our face

And we really don't know that to do

Right it's like Zazu dropped our toilet paper in her own poop

And maybe it's the Cliff Bars talking, or us typical Jews

Girls: But with you

Boys: But with you

Girls: We love our ship

Boys: We love our ship

Refrain:

And it's nothing like this camp has seen before

L'Ship 2-0-1-4

L'Ship 2-0-1-4

L'Ship loves to explore

Look right, hands up, look left, no breaks

L'Ship 2-0-1-4

Girls: I mean it's crazy

Boys: What?

We played a five hour tournament

That's what I was gonna say

We've never met a group that loves gumpsh like us

Gumpsh!

Double gumpsh!

Our trip to Circle X ended

And we were all more than splendid

That six minutes went by so quickly

Girls: Say goodbye

Boys: Say goodbye

To L'88's time

We climbed the climb, we beat their time and more (Refrain)

Counselors: Didn't everyone get spider bit?

Campers: No, just the counselors!
