

# SONGS OF LEADERSHIP 1961

## Sung To The Tune of "California, Here I Come"

Leadership, Leadership, that's our name,  
All of Kramer knows our fame,  
We're bigger, we're better than all of the rest,  
They'll always remember that Summer '61 was best.

Now we're saying our "hello",  
As up Mount Boney we did go,  
Here we are at CHK,  
WE'RE LEADERSHIP '61!
