Phineas and Ferb theme song

There's 22 days of mitzvah this summer

But the memories will last forever

So the ultimate problem for our purple cohort

Is finding a good way to make them

Like maybe

Playing gaga and dancing with dassa or

Heading on down to the beach (with a lifeguard)

Discovering what our mitzvah theme is
What?

Or giving our counselors a break

Just, let, us, sleep (Counselors)

Surfing ocean waves, and flying
aeroplanes

Or crossing the street to Duffield (in big groups!)

Finding the spirit of camp, painting in omanut

Or driving our OD's insane (go to sleep!)

As you can see there's a whole lot of
stuff to do

Before camp ends for us all!

So stick with us 'cause Mitzvah 24 is
gonna rule it all!

So stick with us 'cause Mitzvah 24 is
gonna rule it all!

(Andrea! Mitzvah's doing a cheer again!)
