Hey camp, let us cheer for ya'
Now that we're in Mitzvah we're comin' out to show
We're gonna cheer harder than you ever heard befo'

Now we're getting softer ready here we go
Ready here we go

Hotline Bling by Drake

You used to call us Halutzimers
Last year when we were so young
Called us Halutzimers
Last year when we were so young

But now we are M'16
That can only mean one thing
You know we are M'16
That can only mean one thing

Ever since we left the planet we
Got a reputation for ourselves now
Please try not to feel left out
We're doing mitzvot every day now
Cuz ever since we left the planet we
Started wearing green and cheering louder
Doing hafinali on the dance floor
New kind of limud you never seen before

You used to call us Halutzimers

Last year when we were so young
Called us Halutzimers
Last year when we were so young

Sexy Back by Justin Timberlake

We're bringing Mitzvah back
Yeah
Our life is sweeter than Cody and Zack
Yeah
And don't you ever dare try to frack
Yeah
Annunciation is a thing we lack
Yeah
Take it to the vista

Partition by Beyoncé

At lemud the rest of camp is looking around
Cuz we are nowhere to be found
We're at Mitzvah hour doing our thing now

Josh this is all for you just smile our way
Just tell us how we're lookin' Hoov, Just tell us how we're lookin' Hoov
Andrea it's true we love you too
Just tell us how we're lookin' Jo, Just tell us how we're lookin' Jo

Put your M's up now 1-6 lower
Halutzim says speed it up we just go slower
M's like this 1-6 like this
Y'all ain't never seen a Mitzvah like this
So why you think you keep our names rollin' off the tongue?
Cuz when we want to cheer we just write another one

Put green on the mitz and the mitz got sicker
M-1-6 on your mouth at ticker
M-1-6 on your mouth at ticker
M-1-6 on your mouth at ticker
At at ticker, at at at ticker

Drop
(stop cheer x2)

Mitzvah turn up the ruach please
(stomp cheer)
Mitzvah turn up the ruach please
Now watch while we jump and scream
Took 45 minutes to get all in green
And we're already cheering like you never seen
We're M'16 we just wanna be that mitz you like (mitz you like)
The kind of mitz you like (mitz you like)
We're M'16 we just wanna be that mitz you like (mitz you like)
The kind of mitz you like is right here with us, right here with us, right here with us, right here with us

I Love Kanye by Kanye West

Don't miss that old Mitzvah
Cuz now we are Mitzvah
You love the new Mitzvah
Straight from the 'bu Mitzvah
That one bench Mitzvah
Always profesh Mitzvah
That forest green Mitzvah
Like you never seen Mitzvah
That bunny bunny Mitzvah
T-t-t-togie Mitzvah
We gotta say this time we know we the best Mitzvah
See we inventing Mitzvah
No other any Mitzvah
And now we look and look around and there's 2-9 Mitzvahs

I Took a Pill in Ibiza by Mike Posner

We took a pee in the nature
Cuz there were no bathrooms
And we got to South Dakota like we already told ya
Cuz there was anti-fracking to do

We're far away from LA
It's 9:30 and there's fish here too
We're real big ballers cuz we saw a rock lobster and wore our hiking shoosooooooooooooes
You don't ever want to smell like this till it's your turn to be in mitz
You don't ever want to see Mount Rushmore all aloone
We know you want to be M'16 but you can never be this green
So fun being stuck with our beach buddies, why'd they steal our football?

We don't know what time it is. Yo, what time is it, counselors?
We need to know. What time it is. Tell us what time it is.
