Leadership 2019 Hike Song

*Burkow yells this ones for Erica

Saw a pretty sunrise when we woke up at 4 (Eddy: Sunset)

Chalking Middle Earth, it's all over the floor

Bus pulled up and went away

Do I look like I wanna hike today? (Evan & Sami: Negative!)

Where's Bleefer's shoes that he can't find?

Gabby wears her helmet all the time

Went 1-1-4-9-5

Asking strangers "what's the time? "

Cuz if it's hot, drink gatorade

How many miles have we walked today? (Van: A bunch!)

Nature peeing behind the rock

And then Richard woke us up

You know where we go when we're sweating

Hiking in the mountains and thinking there's only six more minutes

And we're looking so heinous

But who can really blame us

And we ran out of the humus

It's true

Aaron's at a wedding, so K-Row's unit heading

Sleeping on the beach with the sand as our bedding (TWICE!)

We got Krispy Kreme, fireworks before we dream

110 degrees, can we put on sunscreen?

Cuz if it's hot, drink gatorade
How many miles have we walked today? (Van: A bunch!)
Nature peeing behind the rock
And then Richard woke us up

You know where we go when we're sweating
Hiking in the mountains and thinking there's only six more minutes
And we're looking so heinous
But who can really blame us
And we ran out of the humus
It's true

You know where we go when we're sweating
Hiking in the mountains and thinking there's only six more minutes
And we're looking so heinous
But who can really blame us
And we ran out of the humus
It's true
