

SONGS OF LEADERSHIP 1965

Sung To The Tune Of "Zulu Warrior"

We went a-hiking up Mount Boney
We went a-hiking one by one
We went a-hiking up Mount Boney
We went a-hiking having fun.

Chorus:

See them there, those mighty leaders,
Leadership of Sixty-five-five-five-five.

We went a-hiking up Mount Boney
Leadership of sixty-five
Some were groaning, others moaning
The other half was still alive. (Chorus)

We went a-hiking up Mount Boney
Thought our goal was out of reach
Fifteen hours without water
Then at last we hit the beach

Al Sheldon's Cabin Cheer

Who makes them rough, who makes them tough?
Sheldon's Rangers, Rugged Rangers!

Who makes them want to eat their guff?
Sheldon's Rangers, Rugged Rangers!

Who is it really rings the bell?
Sheldon's Rangers, Rugged Rangers!

Who told ol' Breuer to go to...Gildred Hall?
Sheldon's Rangers, Rugged Rangers!
