

## SONGS OF LEADERSHIP 2008

### Sung To The Tune Of "Allstar" By Smashmouth

Castro once told me a 4 in the morning  
That we were gonna go on a hike.  
We were looking pretty fly with our fingers way up high  
In the shape of an "L" in the sky  
But, the hills keep comin', no we won't stop runnin'  
Down to the grottos and we still look stunnin'  
Didn't make sense to go to bed at 8  
No baseball, gotta meditate  
So much to do so much to see  
Rochelle likes to do extra hiking  
Everyone in L'ship knows  
Eat bananas so you don't go

#### CHORUS:

Hey now, we are L'ship, we are '08 we rain  
Let's go, through the mountains, up to Boney, oy vey;  
Bee stings, on your thighs  
And who were those 4 random guys?

It's a cool place, but it's gonna get hotter  
No bathrooms, so you gotta be a squatter  
The luggage got stuck with the staff  
That's okay, whatever, we all DGAF  
The trails we hike, are making us sweat  
Are we at the beach? NO, WE'RE NOT THERE YET!  
Our feet are on fire, how 'bout yours  
We've got blisters cuts and sores (Chorus)

Gold Bond, once saved me, in areas that chaffed me  
smile, please do  
The snake and salamander were swimming  
We wanted to jump, but the counselors said "no"  
a tushy  
Derrick stepped in the camera frame

You've got to  
not frown,  
You might score  
touchdown!

And we all just lost the gaaaaaaaaaaaaame!  
some please  
Well, the WHEAT and the OAK and the BEES  
with a little  
And the HILLS and the BEACH and the HEAT  
(CHORUS)  
And the Morning Chills  
Didn't make sense to go ankle deep  
We're not little we are all teens

TP can I have  
I'll give it back  
spreez!
