

SONGS OF LEADERSHIP 1992

Sung To The Tune Of "Blister In The Sun"

When we're hiking we strut our stuff and we're so worn out,
We're happy and free, we've got sore feet, but were having fun.

Chorus: Let us go on, only 3 more miles to go,
Let us go on
Campers: Are we there yet?
Staff: NO!

Leadership '92 cooked our own food, but we're doing fine,
67 hikers hiking Mount Boney, all in a single line.

Where is Ken, he's late again, Gee, that guy is slow,
Where is he, it's 90 degrees, my tongue is swollen in my throat! (Chorus - 2
More Miles)

Up ahead, his name is Yoda, he doesn't move that fast,
I hope he knows the right way to go, He won't let us pass (Chorus - 1 More
Mile)

Sleeping in the dirt at Circle X and we went swimming too,
Mike's got gas, but it'll pass, and that's nothing new. (Chorus - No More
Miles)
