

## SONGS OF LEADERSHIP 1982

### Sung To The Tune Of "Talkin Baseball"

Chorus: Talkin' baseball - Hike up to Mount Boney (eee)  
Laura, Carol, Andy Rudy Don and Tony (eee)  
Follow yellow arrows going through (going through)  
Got to Circle X and Point Magu (Point Magu)  
We're talkin' Leadership (clap-snap-clap) hike of '82

We started at 5:30, before we got so dirty  
And started on the Mishe Mokwa Trail.  
Tony was the boss,  
Rudy was the boss,  
Don was the boss,  
They all got us lost  
Hot and sweaty and hungry and thirsty and so confused (Chorus)

With Breuer's faithful words,  
the portable orgy surged,  
Gumby and the counselors flex so well.  
Giraffe bones on the right,  
Spaceship is in sight,  
Along the creek the poison oak was all around (Chorus)

(Last chorus - add "Water, Water, Water" at the end)
