Zuma Beach!!! Wow, we can actually go in the water!!!! There are no rocks!!! Summer 2000 found us spending our beach days at Zuma Beach, saying a fond farewell to Sycamore Cove.

Each year at camp we try new things, always striving to make camp better. Sometimes it works, sometimes it doesn't. But we always learn and move forward while remembering traditions that have made our camps great for so long. Last summer we paved the road through Camp Hess Kramer, something many expressed over as they were worried about the "feel" of camp. It was done to satisfy the Ventura County Fire Department. Little did we know it would put a virtual end to the "Kramer Crud", that cough that just won't quit.

I am excited to announce that we have received our permits to renovate the original six double cabins built by Rabbi Alfred Wolf in 1951/52. We are looking forward to completing most, if not all of the cabins by summer 2001, as well as the improvements we started on the Hilltop cabins last year.

Looking even farther ahead, 2002 marks the 50th anniversary of Camp Hess Kramer. We are excited to celebrate our storied history and build on that cherished past as we plan for the next 50 years.

2000 marked another staff transition for our camps. Chad Brown has left to pursue new ventures and Kori Shaiman has joined us as assistant director. Mark Miller continues on as our associate director, and I couldn't be happier working with him as my partner. We have great plans for the future of the camps we all love so much.

Have a great year. See you at camp next summer.

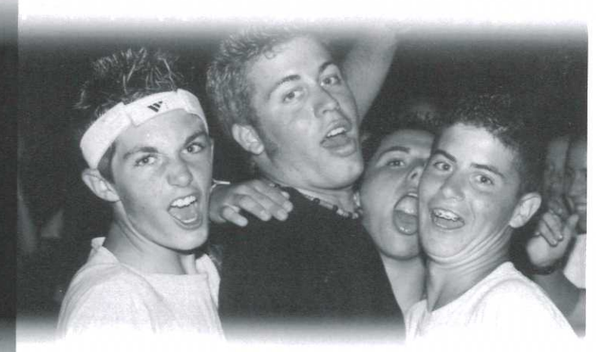
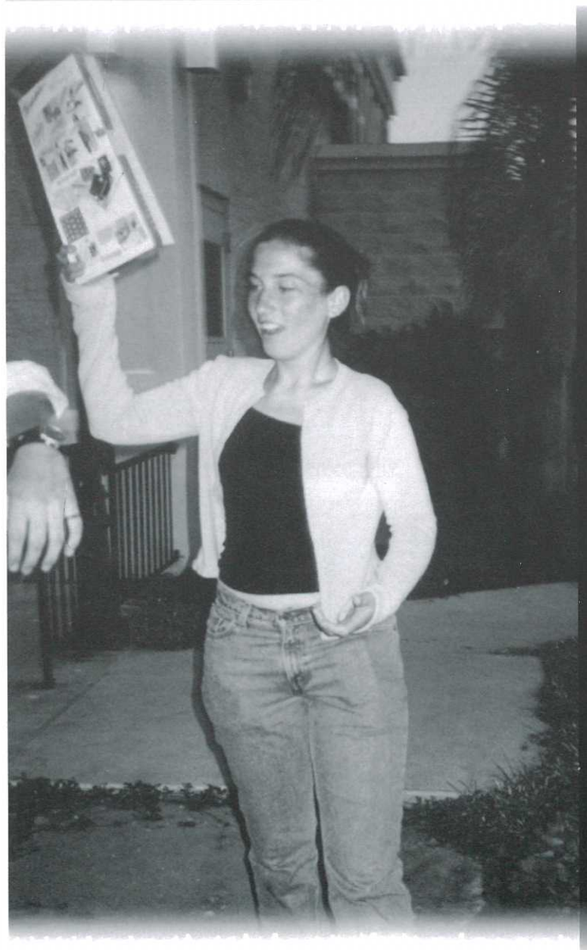
Blessed is Adonai, our God, who blessed our cabin with bungee balls, fans, stereo, cool friends, cool counselors. Thank you for surrounding us with a beautiful environment in which to play. Thank you for John Bard & his crew for turning out delicious food every day of camp. We love it here. Amen.

Camp is Cool because...
The counselors, the campers, the activities
It's a great experience to have lots of fun and games
It helps you to learn to be independent
The song sessions and the spirit



Dear God,
Thank you for food, especially pizza bagels
Thank you for Israeli dance
Thank you for my counselor and his stereo
Thank you for Gildred
Thank you for tennis balls
Thank you for oranges
Thank you for Leadership

Blessed are you oh God for bringing our cabin together. Our cabin is about messy bunks, card games, missing Toranut, pajama day, sleeping through the alram, stargazing, bug bites, health call, a hot cabin, sharing beds, having fun, working together. We have awesome counselors and awesome campers. We are making memories that will last forever.



You are out in the beauty of Malibu Hills
You can smell the ocean and taste the salt in the air
You make bonds and friendships that last a lifetime
And memories that will never die

People come back year after year
To experience this camp
Each year gets better and better
Your bonds grow and memories are shared and relived
You can ask any camper or counselor and you will hear the same reply
CHK is the best !!

Thou shalt do whatever to stay friends
Thou shalt share
Thou shalt be loyal to our cabin
Thou shalt support each other in times of need
Thou shalt not put each other down
Thou shalt not be jealous of other campers
Thou shalt listen to thy counselors
Thou shalt limit shower time
Thou shalt return to camp next summer

PRAYING FEELS LIKE...

Correcting yourself
Speaking with God
Bonding with God
Getting comfortable with yourself
You are talking to God
A rush of happiness
You're speaking to the angels
Chatting with God about stuff in your life
You're in a cloud with a community of other Jews
Peace, love, family time, the ocean
There's hope, we are special, we are praising God

We would like to bless Gindling Hilltop Camp. Camp is an escape from the outside world. It's a place where worries are forgotten and happiness runs in a circular motion. We feel free and alive when we first come up the hill and see the Hilltop sign because we know we are in for a summer of fun, friends and laughter. Camp is a place to meet life-long friends and strengthen our Jewish identity. The magnificent setting nestled in the foothills of Malibu makes this camp an even more amazing and magical place. The memories of camp remain with us throughout the year. "I always knew looking back on the times I cried would make me laugh, but I never knew looking back on the times I laughed would make me cry." (anonymous) This is why we want to write a blessing for Gindling Hilltop Camp:

Blessed is GHC

Which rejuvenates our minds, bodies and souls by providing a summer full of friends, fun, laughter, memories and love.
