## Sung To The Tune Of "Bohemian Rhapsody"

Is this the L'ship hike? Or is this just Tec again?  
Caught in a beehive, no escape from the agony  
Go to the left, away from the group and pee!  
I'm just a camper, what's with the bush hat

'Cuz we hiked so high, smelled so gross  
Supership in the grottos

Sing a song we all know, doesn't really matter to me...  
To meeeeeeeeeee

Robert, just shaved his hair,  
Put a razor to his head, was Dassa on the hike instead?  
Lippy, the hike has just begun, why are my feet aching all the time?

Kramer, oooooo (where did the trail go?)  
Didn't mean to make you cry  
If I'm not back again this time on Tuesday  
Carry on, carry on, it's L'ship hike eleven

Too early, Nadav is up  
Hiking in a line, all these circles made us cry  
Goodbye Circle X, we've got to go, got to leave at 6am and take the road

Kramer, oooooo (where did the trail go?)  
I think I'm gonna die  
Sometimes I wished I'd grabbed two Luna Bars  
Carry on, carry on, it's L'ship hike eleven

I see a little fox over in the bushes  
It's a cat, it's a cat, you might be allergic  
Tickets made of lightening very, very hungry FOOD!

Ma Navu (Ma Navu), Ma Navu (Ma Navu)

Ma Navu Benedry!  
Rattlesnake!!!!

**Sung To The Tune Of “Bohemian Rhapsody” (Continued)**

I am so hungry everyone hates me!  
We are so hungry, feed us Ally Furie

Please take us back to the LV's  
Hiked so high, smelled so gross  
Will you close the gaps?  
We will not close, we will not close the gaps (close the gaps!) (x2)  
Close the gaps (x2)

Rattle snake run, run, run, run, run, run, run!  
It's a cat, it's a cat, it's a cat, look a fox!  
Counselors where'd you get all of those spider bites, bites, bites!

So you think you can sneak onto the other side  
So we go to the top of Mount Bony and flyyyy  
Oh Katie, take some pics of me Katie  
Just need a new, just need a profile pic

L'11 hikers  
Singing on the beach  
Now it's almost over  
No, it's never over  
To me.....
