CAMP AND FOLK SONGS

(Section A)

ONE FOR THE MONEY• KRAKOVYAKRefrain:

One for the money
 And I'll sing for a penny
 Two for the show
 Any song that I know
 Three to make ready
 The wide road is calling
 And four to go
 Well it's been good to know ya
 And four to go
 We've a long way to go.

As I travel all over this land,
 There is one sad thing that I find,
 When the wide road calls,
 One must leave friends and all,
 Leaving a song behind, for a while:
 Leaving a song behind; and it's
 (Refrain)

Some value riches, and some value
 fame,
 And some value women and wine,
 But a song and a friend
 Round each turn of the bend
 Are riches I'd rather were mine,
 Everytime:
 The riches I'd rather were mine.
 (Refrain)

When I am gone may my wish linger on,
 And its echo fall soft on your ears,
 May your riches increase,
 And your joys never cease,
 And your happiness grow every year,
 My friend:
 Happiness grow every year.
 (Refrain)

One day a man from Cracow
 Came to our little village:
 A slicker from the city
 Came to our little town.

Refrain:

Hey, Krakovyak,
 Come on, and dance the Polka,
 Hey, Krakovyak,
 Come on, and dance with us.

He spied the pretty maidens
 A-dancing in the square:
 He spied the pretty maidens,
 So comely and so fair.
 (Refrain)

Now, when the man from Cracow
 Tried to dance the Polka,
 His legs they felt like lead:
 His feet like loaves of bread.
 (Refrain)

He tripped, he slipped, he stumbled:
 He bounced, he rolled, he fumbled:
 He crumbled and he tumbled:
 And fell into the pond.
 (Refrain)

And when the dance was over
 Krakovyak was humbled..
 He went back to the city
 And mumbled as he went.

Hey, Krakovyak,
 I'll never dance the Polka.
 Hey, Krakovyak,
 The Polka's not for me.

FINJAN

Whenever you're felling blue: (clap, clap) Whenever you're feeling blue: (clap, clap)
 I'll tell you just what to do. I'll tell you just what to do: (clap, clap)
 (clap, clap) Just shuffle your feet very fast, (clap, clap)
 Just lift up your voices and sing, (clap, clap)
 For singing is the thing. (clap, clap) For dancing is a blast. (clap, clap)
 You feel like a king, voices ring, Your troubles are past, joy is vast,
 Bodies swing, have a fling, Glee will last,
 For the thing is to sing. For dancing is a blast.
 La, la-la-la-, etc. La, la-la-la-, etc.

THIS LAND IS YOUR LANDRefrain:

This land is your land, this land is my
land
From California to the New York Island
From the redwood forest to the Gulf
stream water
This land was made for you and me.

As I went walking that ribbon of highway,
I saw above me that endless skyway.
I saw below me that golden valley
This land is made for you and me.
(Refrain)

I roamed and rambled
I followed the footsteps
Across the sparkling
Sands of her deserts
While all around me
A voice was sounding
Saying this land is made for you and me.
(Refrain)

The sun came shining
As I was strolling
Wheat fields waving
And the dust clouds rolling
As the fog was lifting
A voice was chanting
This land was made for you and me.
(Refrain)

FIVE HUNDRED MILES

If you take the train I'm on,
You will know that I am gone,
You can hear the whistle blow
one-hundred miles.

One-hundred miles (4)
You can hear the whistle blow
one-hundred miles.

Lord I'm one, Lord I'm two,
Lord I'm three, Lord I'm four,
Lord I'm five hundred miles from my home.

Five-hundred miles (4)
Lord I'm five hundred miles from my home.

Not a shirt on my back,
Not a penny to my name,
Lord, I can't go a-home this-a-way.

This-a-way (4)
Lord, I can't go home this-a-way.

OPEN THE DOOR

Sometimes I remember the old days
When the world was filled with sorrow
You might have thought I was living
But I was all alone
In my heart the rain was falling
The wind blew, the night was calling
Come back, come back
I'm all you've ever known.

Refrain:

Open the door and come on in
I'm so glad to see you my friend
You're like a rainbow
Coming around the bend
And when I see you happy
Well, it sets my heart free
I'd like to be as good a friend to you
As you are to me.

There were friends who could always
see me
Through the haze their smiles would
reach me
Sayin' OK, sayin' good-bye, sayin' hello
Soon I knew that what I was after
Was life and love, tears and laughter,
Hello my good friend, hello my darling
What do you know?
(Refrain)

I used to think it was only me
Feelin' alone, not feelin' free
To be alive, to be a friend
Now I know we all have stormy weather
The sun shines through when we're
together
I'll be your friend right thought to
the end.
(Repeat refrain twice)

COME ALONG

Why don't you
Come along (3)
Why don't you come along and
Sing this song. (3)
It'll make you happy.
Come along and sing this song (2)
Come along and it'll
Make you happy.

Clap your hands.
Stamp your feet.
Do all three.
Sing this song.

I WANT TO BE A FRIEND OF YOURS

I want to be a friend of yours, (mmm)
 and a little bit more,
 I want to be a pal of yours, (mmm)
 and a little bit more.
 I want to be a little flower growing
 'round your door,
 I want to be your grandmother,
 grandfather, mother, father, sister,
 brother, (mmm)
 And a little bit more.
 (Repeat)

DREAM

Dream, dream, dream night and day
 Meditate, hope and pray
 Freedom's coming your way
 Dream and it will come true.

Follow, follow that ray
 Which will never go astray
 Freedom's coming your way
 Dream and it will come true.

WE ARE WHAT WE ARE (Hagigah Session D, 1972)Refrain:

If I am not for myself
 Who will be for me?
 And if I'm only for myself, what am I?
 And if not now, when (2)

Who am I?

How many times I've asked that question.
 I am I and you are you.
 I offer my soul to you;
 In turn give me yours.
 (Refrain)

I look in the mirror,
 And what do I see?
 I see reflections of the real me.
 Am I just flesh, bones, hair, and clothes,
 Or am I a person that nobody knows?
 (Refrain)

Do I have feelings that cannot be hidden?
 When of my temper will I be ridden?
 Can I see in a piece of glass
 Who I really am?
 No, I don't think I can.
 But I'm still grateful for what I am.
 (Repeat refrain twice)

TURN, TURN, TURNREFRAIN:

To everything (turn, turn, turn)
 There is a season (turn, turn, turn)
 And a time for every purpose under
 heaven.

A time to be born, a time to die
 A time to plant, a time to reap
 A time to kill, and a time to heal
 A time to laugh, a time to weep.
 (Refrain)

A time to build up, a time to break
 down

A time to dance, a time to mourn
 A time to cast away stones
 A time to gather stones together
 (Refrain)

A time to love, a time to hate
 A time for war, a time for peace
 A time you may embrace
 A time to refrain from embracing
 (Refrain)

A time to gain, a time to lose
 A time to rend, a time to sow
 A time to love, a time to hate
 A time for peace:
 I swear it's not too late.
 I swear it's not too late.
 (Refrain)

EVERYTIME

Everytime I feel the spirit
 Moving in my heart
 I will sing.
 (Repeat)

On the mountain;
 In the valley,
 By the ocean flecked with foam.
 On the highway of my lifetime,
 In this world that I call home.
 (Refrain)

When I'm singing
 Bells are ringing
 All the world is brightly clad.
 When I'm singing not a thing in
 All the world can make me sad.
 (Refrain)

There's a fellow I know well.
 He just thinks the world is swell.
 He's not feeling any hate,
 Singing makes him feel so great.
 (Refrain)

Rock o' my soul in the bosom of Abraham
 Rock o' my soul in the bosom of Abraham

 So low, you can't get under it
 So wide, you can't go round it
 Oh, rock o' my soul.

 And as the daylight ends;

 And are filled with endless love,
 And our Rabbi's prayers are granted.

JOHNNY APPLESEED

The Lord is good to me
 And so I thank the Lord
 For giving me the things I need
 The sun and the rain and
 the appleseed,
 Oh the Lord is good to me.

I wake up every day,
 As happy as can be
 Because I know that with this prayer
 My appleseed will soon be there,
 Oh the Lord is good to me.

So here am I 'neath the clear blue sky
 Doin' as I please,
 Singin' with my feathered friends
 Hummin' with the breeze.

And every seed I sow
 Will grow into a tree
 And someday there'll be apples there
 For everyone in the world to share
 Oh the Lord is good to me.

 Some have tried to ease my troublin' mind.

 Look as worried as can be:
 And I think that they are a-wonderin' too.
 (Refrain)

So if you see me passing by,
 And you sit and you wonder why,

 over you.

 Laugh and laugh the whole day through

night
That will open the way
You are the light of the world.

sunshine

For the seasons sunshine dispels
yesterdays rain

(Refrain)

When you smile your bright face
overflowing with light

(Refrain)

Created now, a dim light can brighten

For all over the wide world

You're the light of the world.

(Refrain)

By the fireside, where the embers glow
Through the wintry days,
There the teacher softly, with the little
ones,
Chants the Alef Bays.
There the teacher softly, with the little
ones,
Chants the Alef Bays.

Learn your lessons well,
Remember precious ones
The letter of God's law.
Chant it once again, and even once again,
Kometz Alef "aw".
Chant it once again, and even once again,
Kometz Alef "aw".

SHOW TUNES AND POPULAR SONGS
(Section B)

FAVORITE THINGS

Raindrops on roses,
And whiskers on kittens;
Bright copper kettles,
And warm woolen mittens;
Brown paper packages tied up with strings;
These are a few of my favorite things.

Cream colored ponies,
And crisp apple strudle;
Doorbells, and sleighbells,
And schnitzel with noodles;
Silver white winters that melt into
springs;
These are a few of my favorite things.

Girls in white dresses,
With blue satin sashes;
Snowflakes that stay on my nose and
eyelashes;
Wild geese that fly with the moon on
their wings;
These are a few of my favorite things.

When the dog bites;
When the bee stings;
When I'm feeling sad,
I simply remember my favorite things,
And then I don't feel so bad.

YOU'LL NEVER WALK ALONE

When you walk through a storm,
Keep your chin up high,
And don't be afraid of the dark.
At the end of the storm is a golden sky,
And the sweet silver song of a lark.

Walk on through the wind;
Walk on through the rain;
Though your dreams be tossed and blown;
Walk on, walk on, with hope in your heart
And you'll never walk alone:
You'll never walk alone.

OH WHAT A BEAUTIFUL MORNING

Oh what a beautiful morning
Oh what a beautiful day
I've got a wonderful feeling
Everything's going my way.

There's a bright golden haze on the
meadow,
There's a bright golden haze on the
meadow.

The corn is as high as an elephants' eye
And it looks like it's climbing clear up
to the sky.

(Repeat first verse)

CLIMB EVERY MOUNTAIN

Climb every mountain.
Search high and low.
Follow every byway
Every path you know.

Climb every mountain.
Ford every stream.
Follow every rainbow
Till you find your dream.

A dream that will need all the love
you can give,
Every day of your life for as long
as you live.

Climb every mountain.
Ford every stream.
Follow every rainbow
Till....you....find....your....dream.

IT AIN'T NECESSARILY SO

It ain't necessarily so;
 It ain't necessarily so;
 The things that you're liable
 To read in the Bible,
 They ain't necessarily so.

Lil' David was small, but "O my";
 Lil' David was small, but "O my",
 He fought big Goliath;
 Who lay down and di-eth;
 Lil' David was small, but "O my".

Oh, Jonah, he lived in a whale,
 Oh, Jonah, he lived in a whale.
 Oh, He made hes home in
 That fish's abdomen;
 Oh, Jonah, he lived in a whale.

Wa-do (Wa-do)
 Zim-bam-ba-de-loo (Zim-bam-ba-de-loo)
 Hoo-de-la-da-wa-da- (Hoo-de-la-da-wa-da)
 Scatty-wah (Scatty-wah)
 Yeah!

Methus'lah lived nine hundred years.
 Methus'lah lived nine hundred years.
 But who calls that livin'
 When no gal will give in
 To no man who's nine hundred years.

Lil' Moses was found in a stream.
 Lil' Moses was found in a stream.
 He floated on water
 'Til ol' Pharaoh's daughter
 She found him, (she says) in that stream

Wa-do (Wa-do), etc.

(To get into heaven don't snap for a seven,
 Live clean, but don't have no fault.
 Now I takes that gospel whenever it's
 poss'ble,
 But with a grain of salt.)

It ain't necessarily so.
 It ain't necessarily so.
 The things that you're liable
 To read in the Bible
 They ain't necessarily so.

I'm preachin' this sermon to show;
 It ain't nessa, ain't nessa,
 Ain't nessa, ain't nessa,
 Ain't necessarily so.

PLENTY OF NOTHIN'

Oh, I got plenty of nothin',
 And nothin's plenty for me.
 I got no car, got no mule,
 Got no misery.

The folks with plenty of plenty
 Got a lock on the door;
 'Fraid somebody's a-goin' to rob 'em
 While they're out makin' more.
 What for?

I got no lock on the door.
 (That's no way to be.)
 They can steal the rug from the floor.
 That's O.K. with me,
 'Cause the things that I prize,
 Like the stars in the skies.
 Are all free.

Oh, I got plenty of nothin',
 And nothin's plenty for me.
 Got my gal, got my song,
 Got heaven the whole day long.
 (Spoken): No use complainin'.
 Got my gal;
 Got my lawd;
 Got my song.

I BELIEVE

I belive for every drop of rain that
 falls,
 A flower grows.
 I believe that somewhere in the darkest
 night,
 A candle glows.
 I believe for everyone who goes astray,
 Someone will come to show the way.
 I believe. I believe.

I believe above the storm the smallest
 prayer
 Can still be heard.
 I believe that someone in the great
 somewhere
 Hears every word.
 Every time I hear a newborn baby cry,
 Or touch a leaf, or see the sky,
 Then I know why
 I believe.

LOST IN THE STARS

Before Lord God made the sea and the land
 He held all the stars in the palm of
 His hand.
 And they ran through His fingers like
 grains of sand,
 And one little star fell alone.

Then the Lord God hunted through the
 wide night air
 For the little dark star on the wind down
 there,
 And he stated and promised He'd take
 special care
 So it wouldn't get lost again.

Now a man don't mind if the stars grow dim,
 And the clouds blow over, and darken him;
 So long as the Lord God's watching over
 them,
 Keeping track how it all goes on.

But I've been walking through the night
 and the day,
 'Til my eyes get weary and my head turns
 gray;
 And sometimes it seems maybe God's
 gone away;
 Forgetting the promise that we heard Him
 say,
 And we're lost out here in the stars.
 Little stars; big stars; blowing through
 the night,
 And we're lost out here in the stars,
 Little stars; big stars; blowing through
 the night,
 And we're lost out here in the stars.

A WONDERFUL DAY LIKE TODAY

On a wonderful day like today,
 I defy any cloud to appear in the sky:
 Dare any raindrop to plop in my eye,
 On a wonderful day like today.

On a wonderful morning like this,
 When the sun is as big as a yellow balloon:
 Even the sparrows are singing in tune,
 On a wonderful morning like this.

THE WORLD IS COMIN' TO A START

J' ever get the feelin' when you read
 the papers
 The world is cavin' in?
 That the animal part of the human heart
 Is finally gonna win?
 Well, it just may be that what you see
 Are the growin' pains of liberty;

Refrain:

And the world ain't comin' to an end,
 my friend:
 The world's just comin' to a start!
 I feel it in my heart
 The world is comin' to a start!

Everybody's sayin' when you look about
 you
 The world is gone insane.
 That the heavenly goal of the human
 soul
 Will perish in the flame.
 Well, it just may be that what they see
 Is the storm before tranquility;
 (Refrain)

A commentator makes a grim prediction
 The world ain't gonna work.
 That the orderly line in the human mind
 Has really gone berserk
 Well, it just may be that what we see
 Are the dyin' throes of apathy;
 (Refrain)

On a morning like this I could kiss
 everybody,
 I'm so full of love and good will.
 Let me say furthermore
 I'd adore everybody to come and dine.
 The pleasure's mine,
 And I will pay the bill.

May I take this occasion to say
 That the whole human race should
 go down on its knees,
 Show that we're grateful for mornings
 like these,
 For the world's in a wonderful way,
 On a wonderful day like today.

JET PLANE

All my bags are packed, I'm ready to go.
I'm standing here outside your door.
I hate to wake you up to say good-bye.
But the dawn is breaking, it's early morn,
Taxi's waiting, he's blowing his horn.
Already I'm so lonesome I could cry.

Refrain:

So kiss me and smile for me; tell me
that you'll wait for me;
Hold me like you'll never let me go.
'Cause I'm leaving on a jet plane,
Don't know when I'll be back again...
Oh Babe, I hate to go.

So many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing.
Every place I go I'll think of you
Every song I sing, I'll sing for you
When I come back I'll wear your wedding
ring.

(Refrain)

Now the time has come to leave you.
One more time, let me kiss you,
Then close your eyes, and I'll be on
my way.

Dream about the days to come,
When I won't have to leave alone;
About the time I won't have to say.

(Refrain)BORN FREE

Born free;
As free as the wind blows;
As free as the grass grows;
Born free to follow your heart.

Live free, and beauty surrounds you.
The world still astounds you
Each time you look at a star.

Stay free,
Where no walls divide you.
You're free as a rolling tide
So there's no need to hide.

Born free, and life is worth living,
But only worth living, 'cause you're
born free.

BRIDGE OVER TROUBLED WATER

When you're weary, feelin' small,
When tears are in your eyes,
I'll dry them all;
I'm on your side
Oh, when times get rough
And friends just can't be found.
Like a bridge over troubled water
I will lay me down.
Like a bridge over troubled water
I will lay me down.

When you're down and out.
When you're on the street,
When evening falls so hard,
I will comfort you.
I'll take your part.
Oh, when darkness comes
And pain is all around,
Like a bridge over troubled water
I will lay me down.
Like a bridge over troubled water
I will lay me down.

Sail on silver girl, sail on by.
Your time has come to shine.
All your dreams are on their way.
See how they shine.
Oh, if you need a friend,
I'm sailing right behind,
Like a bridge over troubled water
I will ease your mind.
Like a bridge over troubled water
I will ease your mind.

59th STREET BRIDGE SONG

Slow down, you move too fast.
You got to make the mornin' last.
Just kickin' down the cobble stones,
Lookin' for fun and feelin' groovy.
Ba da da da da da da feeling groovy.

Hello lamp post, watcha knowin'?
I've come to watch your flowers growin'.
Ain't you got no rhymes for me?
Do-it'n do-do feeling groovy.
Ba da da da da da da feeling groovy.

I got no deeds to do, no promises to keep.
I'm dappled and drowsy and ready to sleep.
Let the mornin' time drop all its petals
on me.

Life, I love you; all is groovy.
Ba da da da da da da feelin' groovy.

I BELIEVE IN MUSIC

Well, I could just sit around
 Makin' music all day long.
 Long as I'm makin' music
 I know I can't do nobody wrong
 And who knows, maybe some day
 I'll come up with a song.
 That makes people wanta stop
 Their fussin and fightin'
 Just long enough to sing along.

Refrain:

I believe in music) 2
 I believe in love.)

Music is love, love is music
 If you know what I mean.
 People who believe in music
 Are the happiest people I've ever seen.
 So clap your hands, stomp your feet,
 Shake your tambourine.
 Lift your voices to the sky.
 God loves you when you sing.
 (Refrain)

Music is the universal language
 And love is the key.
 To brotherhood and peace and understanding
 To livin' in harmony.
 So take your brother by the hand
 And sing along with me.
 And find out what it really means
 To be young and rich and free.
 (Refrain)

DAY BY DAY

Day by day, day by day,
 Oh, dear Lord, three things I pray:
 To see Thee more clearly,
 Love Thee more dearly,
 Follow Thee more nearly,
 Day by day.

I'D LIKE TO TEACH THE WORLD TO SING

I'd like to build the world a home
 And furnish it with love,
 Grow apple trees and honey bees
 And snow white turtle doves.
 I'd like to teach the world to sing
 In perfect harmony,
 I'd like to hold it in my arms
 And keep it company.
 I'd like to see the world for once
 All standing hand in hand,
 And hear them echo through the hills
 For peace throughout the land.

That's the song I hear,
 Let the world sing today.
 A song of peace that echoes on
 And never goes away.

TAKE ME HOME, COUNTRY ROADS

Almost heaven, West Virginia,
 Blue Ridge mountains, Shenandoah River.
 Life is old there, older than the trees,
 Younger than the mountains,
 Growin' like a breeze.

Refrain:

Country roads, take me home
 To the place I belong:
 West Virginia, mountain mamma,
 Take me home, Country Roads.

All my memories gather 'round her,
 Miner's lady, stranger to blue water.
 Dark and dusty, painted on the sky,
 Misty taste of moonshine,
 Teardrop in my eye.
 (Refrain)

I hear her voice, in the
 Morning hours she calls me,
 The radio reminds me of my home far away.
 And drivin' down the road I get a
 Feelin' that I should have been home
 Yesterday,-----Yest rday.
 (Refrain)

ONE TIN SOLDIER

Listen children to a story that was
written long ago
'Bout a kingdom on a mountain and the
valley folk below
On the mountain was a treasure buried
deep beneath a stone
And the valley people swore they'd have
it for their very own.

Refrain:

Go ahead and hate your neighbor
Go ahead and cheat a friend
Do it in the name of heaven
You can justify it in the end.
There won't be any trumpets blowing
Come the judgement day.
On the bloody morning after,
One tin soldier rides away.

So the people of the valley sent a
message up the hill,
Asking for the buried treasure:
Tons of gold for which they'd kill
Came an answer from the kingdom:
with our brothers we will share
All the secrets of our mountain,
all the riches buried there.

Now the valley cried with anger:
mount your horses, draw your swords
And they killed the mountain people,
so they won their just reward
Now they stood beside the treasure,
on the mountain dark and red
Turned the stone and looked beneath it:
"Peace on Earth" was all it said.
(Refrain)

SUNSHINE ON MY SHOULDERSRefrain:

Sunshine on my shoulders makes me happy
Sunshine in my eyes can make me cry
Sunshine on the water looks so lovely
Sunshine almost always makes me high.

If I had a day that I could give you
I'd give to you a day just like today
If I had a song that I could sing for you
I'd sing a song to make you feel this way.
(Refrain)

If I had a tale that I could tell you
I'd tell a tale sure to make you smile
If I had a wish that I could wish for you
I'd make a wish for sunshine all the while.
(Refrain)

THE CANDY MAN

Who can take a sunrise (who can take a
sunrise)
Sprinkle it with dew (sprinkle it with
dew)

Cover it with chocolate and a miracle
or two?

The candy man (the candy man)
The candy man can (the candy man can)
The candy man can
Cause he sprinkles it with love
And makes the world taste good.

Who can take a rainbow (who can take a
rainbow)

Wrap it in a sigh (wrap it in a sigh),
Soak it in the sun
And make a strawberry lemon pie?

The candy man (the candy man)
The candy man can (the candy man can)
The candy man can
Cause he mixes it with love
And makes the world taste good.

The candy man makes everything he bakes
Satisfying and delicious.
Talk about your childhood wishes!
You can even eat the dishes!

Who can take tomorrow (who can take
tomorrow)

Dip it in a dream (dip it in a dream),
Separate the sorrow and collect up
all the cream?

The candy man (the candy man)
The candy man can (the candy man can)
The candy man can

Cause he mixes it with love
And makes the world taste good.
And the world tastes good
Cause the candy man thinks it should.

SUNRISE, SUNSET

Is this the little girl I carried?
 Is this the little boy at play?
 I don't remember growing older.
 When did they?
 When did she get to be a beauty?
 When did he grow to be so strong?
 Wasn't it yesterday when they were small?

Refrain:

Sunrise, sunset, Sunrise, sunset.
 Swiftly flow the days.
 Seedlings turn overnight to sunflowers.
 Blossoming even as we gaze.
 Sunrise, sunset, Sunrise, sunset.
 Swiftly fly the years.
 One season following another,
 Laden with happiness and tears.

What words of wisdom can I give them?
 How can I help to ease their way?
 Now they must learn from one another.
 Day by day.
 They look so natural together,
 Just like two newlyweds should be
 Is there a canopy in store for me?
 (Refrain)

MORNING HAS BROKEN

Morning has broken like the first morning,
 Blackbird has spoken like the first bird.
 Praise for the singing,
 Praise for the morning,
 Praise for them springing
 Fresh from the world.

Sweet the rain's new fall,
 Sunlit from heaven,
 Like the first dew fall
 On the first grass.
 Praise for the sweetness
 Of the wet garden,
 Sprung in completeness
 Where his feet pass.

Mine is the sunlight,
 Mine is the morning,
 Born of the one light
 Eden saw play.
 Praise with elation,
 Praise every morning,
 God's recreation of the new day.

REPEAT FIRST VERSE.

TO LIFE, L'CHAYIM

To life, to life l'chayim.
 L'chayim, l'chayim to life.
 If you've been lucky then Monday was no
 worse than Sunday was.
 Drink l'chayim to life.
 To life, l'chayim.
 L'chayim, l'chayim to life.
 One day it's honey and raisin cake,
 Next day a stomach ache.
 Drink l'chayim to life.

Our great men have written words of
 wisdom to be used when hardship
 must be faced.
 Life obliges us with hardship, so the
 words of wisdom shouldn't go to
 waste.

To us, and our good fortune;
 Be happy, be healthy, long life.
 And if our good fortune never comes,
 Here's to whatever comes,
 Drink l'chayim to life.

To life, to life, l'chayim.
 L'chayim, l'chayim, to life.
 Life has a way of confusing us,
 Blessing and bruising us.
 Drink l'chayim to life.
 To life, l'chayim.
 L'chayim, l'chayim, to life.
 A gift we seldom are wise enough ever
 to prize enough.
 Drink l'chayim to life.

God would like us to be joyful, even
 though our hearts lie panting on
 the floor.

How much more can we be joyful, when
 there's really something to be
 joyful for?

To life, to life, l'chayim.
 L'chayim, l'chayim, to life.
 It gives you something to think about:
 Something to drink about.
 Drink l'chayim to life.

WHAT THE WORLD NEEDS NOWRefrain:

What the world needs now is love, sweet love.
 It's the only thing that there's just too little of.
 What the world needs now is love, sweet love.
 No, not just for some, but for everyone.

Lord we don't need another mountain,
 There are mountains and hillsides enough to climb.
 There are oceans and rivers enough to cross,
 Enough to last till the end of time.
 (Refrain)

Lord, we don't need another meadow,
 There are cornfields and wheat fields enough to grow.
 There are sunbeams and moonbeams enough to shine,
 Oh, listen Lord, if you want to know.
 (Refrain)

THE WINDOWS OF THE WORLDRAINDROPS KEEP FALLING

Raindrops keep falling on my head,
 And just like the guy whose feet are
 too big for his bed,
 Nothin' seems to fit,
 Those raindrops are fallin' on my head.
 They keep fallin'.

So I just did me some talkin' to the sun
 And I said I didn't like the way he got
 things done:
 Sleepin' on the job.
 Those raindrops are fallin' on my head.
 They keep fallin'.

But there's one thing I know:
 The blues they send to meet me won't
 defeat me.
 It won't be long till happiness steps
 up to greet me.

Raindrops keep fallin' on my head,
 But that doesn't mean my eyes will soon
 be turnin' red.

Cryin's not for me, 'cause
 I'm never gonna stop the rain by
 complainin'

Because I'm free,
 Nothin's worryin' me.

The windows of the world are covered
 with rain,

Where is the sunshine we once knew?
 Everybody knows
 When little children play,
 They need a sunny day to grow straight
 and tall:
 Let the sun shine through.

The windows of the world are covered with
 rain.

When will those black skies turn to blue?
 Everybody knows
 When boys grow into men.
 They start to wonder when their country
 will call.
 Let the sun shine through.

The windows of the world are covered
 with rain.

What is the whole world coming to?
 Everybody knows
 When men cannot be friends,
 Their quarrel often ends where some
 have to die.
 Let the sun shine through.

The windows of the world are covered
 with rain.

There must be something we can do.
 Everybody knows
 Whenever rain appears,
 It's really angels tears.
 How long must they cry?
 Let the sun shine through.

GOOD MORNING STARSHINE

Good morning starshine,
The earth says "hello".
You twinkle above us,
We twinkle below.

Good morning starshine,
You lead us along.
My love and me as we sing
Our early morning singing song.

Gliddy glup gloopy,
Nibby nabby noopy. La, la, la, lo, lo.
Sabba sibby sabba
Nooby abba nabba, le, le, lo, lo.
Tooby ooby wal'a
Nooby abba nabba,
Early morning singing song.

Can't you hear me...
Singing a song, humming a song,
Singing a song,
Loving a song, laughing a song,
Sing the song.
Sing the song, Song the sing.
Song, song, song, sing,
Sing, sing, sing, song.
(Repeat last two lines)

SONG SONG BLUE

Song sung blue,
Everybody knows one;
Song sung blue,
Every garden grows one.
Me and You are subject to
The blues now and then,
But when you take the blues and make
a song,
You sing them out again,
Sing them out again.

Song song blue,
Weepin' like a willow:
Song sung blue,
Sleepin' on my pillow.
Funny thing, but you can sing it
With a cry in your voice,
And before you know it, start to feelin'
Good, you simply got no choice.

SING

Sing, sing a song,
Sing out loud,
Sing out strong.
Sing of good things, not bad.
Sing of happy, not sad

Sing, sing a song,
Make it simple
To last your whole life long.
Don't worry that it's not good enough
For anyone else to hear.
Just sing, sing a song.

La, la, la, la, la, la, etc.

THE IMPOSSIBLE DREAM

To dream the impossible dream:
To fight the unbeatable foe:
To bear with unbearable sorrow:
To run where the brave dare not go.

To right the unrightable wrong:
To love pure and chaste from afar:
To try when your arms are too weary:
To reach the unreachable star!

This is my quest, to follow that star,
No matter how hopeless.
No matter how far;
To fight for the right without question
or pause,
To be willing to march into hell for
a heavenly cause!
And I know, if I'll only be true to
this glorious quest,
That my heart will lie peaceful and calm,
When I'm laid to my rest.

And the world will be better for this;
That one man, scorned and covered
with scars,
Still strove with his last ounce of
courage,
To reach the unreachable stars.

And we'll count

Every bird in the sky.

Evening stars come out to shine,

And the moon extends its ray

In a blessing over earth,

At the twilight time of day.

Boys and girls

Playing catch

In meadows over yonder

While the long

Summer days drift on by.

When the sounds of night are hushed,

And all mankind seems to say

"Father, bless us all this night."

It's the twilight time of day.

Wait and see,

Wait and see,

Just how great it'll be

In a year .

Just one year

DAY IS DONE

Tell me why you're cryin' my son.
 I know you're frightened like everyone.
 Is it the thunder in the distance you
 fear?
 Will it help if I stay very near?
 I am here.

Refrain:

And if you take my hand my son,
 All will be well when the day is done.
 And if you take my hand my son,
 All will be well when the day is done.
 Day is done. Day is done.
 Day is done. Day is done.

Do you ask why I'm sighing my son?
 You shall inherit what mankind has done.
 In a world filled with sorrow and woe,
 If you ask me why this is so,
 I really don't know.
 (Refrain)

Tell me why you are smiling my son.
 Is there a secret you can tell everyone?
 Do you know more than men that are wise?
 Can you see what we all must disguise,
 through your lovin' eyes?
 (Refrain)

HASTEN THE DAY

Hasten the day when man will rest contented
 In the abundance of his green land,
 Rancor and strife forgotten and repented,
 And his weapon fallen from his hand.

Hasten the day when brotherhood is rooted
 Deep in the earth, like a mighty tree:
 And every branch of it is fruited
 With burgeonings of liberty.

Hasten the day when in a swelling chorus,
 Men of all nations under the sun
 Sing of prospects opening before us:
 Anthems of peace: of peace forever won.
 A-men.

ONE MAN' HANDS

One hand can't build a world of peace,
 Two hands can't build a world of peace,
 But if two and two and fifty make a
 million
 We'll see that world come 'round,
 We'll see that world come 'round.

(can't help all men be free)
 (can't build a world of love)
 (repeat first verse)

SONG FOR PEACE

What d d we do when we wanted corn?
 We plowed and we sowed from the
 early morn.
 What did we do when we wanted corn?
 We plowed and we sowed form the
 early morn.

Refrain:

For our hands are strong,
 And our hearts are young,
 And a dreamer keeps a-dreaming
 Ages long.

What did we do when we needed a town?
 We hammered and we nailed till the
 sun went down.
 What did we do when we needed a town?
 We hammered and we nailed till the
 sun went down.

(Refrain)

What do we do when it's peace we want?
 When it's more than a man can build
 or plant?
 We'll gather our friends from the ends
 of the earth,
 To lend a hand in its hour of birth
 We'll plow, we'll sow;
 We'll hammer and we'll nail;
 We'll work all day til peace is real.
 (Refrain)

* BROTHERHOOD CALYPSORefrain:Brotherhood:

It's so good:

Makes you feel

Understood.

- (1) Now, everybody listen to my song
Of what is right....and what is wrong:
If all the peoples get together now
We'll have a world....that's big and strong.
(Refrain)

- (2) In Holland windmills go around and 'round
It is a land....of sea and dikes.
In Holland people walk on wooden shoes:
They have their likes....and their dislikes.

- (3) In Mexico the people wear big hats.
They like to eat....a food that's hot
But if you think they're any different
You are a fool....'cause they are not.

- (4) On a sunny island in Eastern clime
There is a lan'....known as Japan.
The peoples skin is yellow, their eyes askey,
But they are just....the same as you.
(Refrain)

- (5) Now you and I, we have a skin that's white.
We think that's good....that's understood
But if some other has a skin that's not,
And if we care....that's not so hot.

- (6) For underneath the skin the cor-pus-cles
Are all the same....by any name.
So brown, or red, or even black or yellow,
Underneath.....it's all one fellow.

- (7) So, yellow, black, or even green, or pink;
Oh, what's the fuss....I cannot think.
'Cause yellow, black, or even green or blue,
What is the diff....erence to you?
(Refrain)

- (8) Now, everybody listen to my song
Of what is right....and what is wrong.
If all the peoples get together now
We'll have a world....that's big and strong.

(GIRLS) Brotherhood!
(BOYS) All are brothers now.
(GIRLS) It's so good!
(BOYS) All the peoples now.
(GIRLS) Makes you feel,
(BOYS) All together now,
(GIRLS) Understood.

THE FAMILY OF MAN (35)

I belong to a family,
The biggest on earth;
A thousand every day are coming to birth.
The name isn't Dallas or Hasted or Jones
But a name every man should be proud
he owns.

Refrain:

It's the family of man;
Keeps growin':
The family of man keeps sowin'
The seeds of a new life every day.

I've got a sister in Melbourne;
a brother in Paree,
The whole world is dad and mother to me.
Wherever you turn you will find my kin,
No matter the creed or the color of skin.
(Refrain)

From the North Pole ice, to the snow at
the other,
There isn't a man I wouldn't call a
brother;
But I haven't much time. I've had my fill
Of the men of war who want to kill.
(Refrain)

Some people say the world is a horrible
place,
But it's just as good or bad as the human
race.

Dirt and misery; health and joy;
Man can build or can destroy.

SEEK AND YE SHALL FIND

Seek and ye shall find
Knock and the door shall open
Ask and it shall be given
When love comes tumblin' down.

Seek and ye shall find
Speak and you shall be heard
Ask and it shall be given
When love comes tumblin' down.

ALLY OXEN FREE

Time to let the rain fall,
Without the help of man.
Time to let the trees grow tall
Now if they only can
Time to let our children
Live in a land that's free
Ally, Ally, Ally, Ally oxen free
Ally, Ally, Ally, Ally oxen free.

Time to let the smoke sway
And look at the sky again.
Time to let our friends know
We'd like to begin again
Time to send the message
Across the land and sea
Ally, Ally, Ally, Ally oxen free.
Ally, Ally, Ally, Ally oxen free.
Strong and weak, mild and meek
No more hide and seek.

Time to see the fairness
Of a children's game
Time for men to stop
And learn to do the same.
Time to make our minds up
That the world at last will be
Ally, Ally, Ally, Ally oxen free
Ally, Ally, Ally, Ally oxen free.

STRANGEST DREAM

Last night I had the strangest dream
I'd never dreamed before.
I dreamed the world had all agreed
To put an end to war.
I dreamed I saw a mighty room.
The room was filled with men.
And the paper they were signing said,
"We'll never fight again."

And when the paper was all signed,
And a million copies made,
They all joined hands and bowed their
heads,
And grateful prayers were prayed.

And the people in the streets below
Were dancing round and round,
While swords, and guns, and uniforms
Were scattered on the ground.

(Repeat the first verse)

CIRCLE GAME

Yesterday a child came out to wonder
 Caught a dragonfly inside a jar
 Fearful when the sky was full of thunder
 And tearful at the falling of a star

Refrain:

And the seasons they go round and round
 And the painted ponies go up and down
 We're captive on the carousel of time
 We can't return we can only look behind
 From where we came
 And go round and round and round
 In the circle game.

Then the child moved ten times round
 the seasons
 Skated over ten clear frozen streams
 Words like, when you're older, must
 appease him
 And promises of someday make his dreams.
 (Refrain)

Sixteen springs and sixteen summers gone
 now
 Cartwheels turn to car wheels thru
 the town
 And they tell him, take your time,
 it won't be long now,
 Till you drag your feet to slow the
 circles down.
 (Refrain)

So the years spin by and now the boy
 is twenty
 Though his dreams have lost some
 grandeur going true
 There'll be new dreams, maybe better
 dreams and plenty
 Before the last revolving year is
 through.
 (Refrain)

STUDY WAR NO MORERefrain:

I ain't gonna study war no more (6 times)

I'm gonna lay down my sword and shield
 Down by the riverside
 Down by the riverside
 Down by the riverside
 Gonna lay down my sword and shield
 Down by the riverside
 Down by the riverside.
 (Refrain)

I'm gonna build me a world of peace
 Down by the riverside
 Down by the riverside
 Down by the riverside
 I'm gonna build me a world of peace
 Down by the riverside
 Down by the riverside.
 (Refrain)

I'm gonna clasp hands around the world
 Down by the riverside
 Down by the riverside
 Down by the riverside
 I'm gonna clasp hands around the world
 Down by the riverside
 Down by the riverside.
 (Refrain)

LOVIN' SOUND (35)

Lovin' is really livin'
 Without it you ain't livin', boy.
 You're just getting up each day,
 And walking around,
 Your world is cryin' out my friend
 So give it love and it will mend
 And teach you all the music
 To the lovin' sound
 Oh, the lovin' sound.

The search goes on for dollars
 And the work goes on for dimes
 Young ones chase the rainbows
 Old folks think of younger times
 You'll never catch that rainbow
 But love may come to you
 So hold it close, don't let it go
 You're a loser if you do.
 (Repeat the first verse)

LESS OF ME

Let me be a little kinder
 Let me be a little blinder
 To the faults of those about me
 Let me praise a little more.
 Let me be when I am weary
 Just a little bit more cheery
 Think a little more of others
 And a little less of me.

Let me be a little braver
 When temptation bids me waver
 Let me strive a little harder
 To be all that I should be.
 Let me be a little meeker
 With the brother that is weaker
 Let me think more of me neighbor,
 And a little less of me.

Let me be when I am weary
 Just a little bit more cheery
 Let me serve a little better
 Those that I am strivin' for
 Let me be a little meeker
 With the brother that is weaker
 Think a little more of others,
 And a little less of me.

THE SOUNDS OF SILENCE

Hello, darkness, my old friend. I've come to talk to you again
 Because a vision softly creeping, left its seeds while I was sleeping,
 And the vision that was planted in my brain still remains.
 Within the sounds of silence.

In restless dreams I walked alone: through narrow streets of cobblestone:
 Neath the halo of a street lamp, I turned my collar to the cold and damp.
 When my eyes were stabbed by the flash of a neon light, that split the night,
 And touched the sound of silence.

And in the naked light I saw ten thousand people maybe more.
 People talking without speaking, people hearing without listening,
 People writing songs that voices never share, and no one dare
 Disturb the sound of silence.

"Fools", said I, "You do not know, silence like a cancer grows.
 Hear my words that I might teach you; take my arms that I might reach you."
 But my words like silent raindrops fell, and echoed in the wells of silence.

And the people bowed and prayed to the neon god they made.
 And the sign flashed out its warning in the words that it was forming,
 And the signs said "the words of the prophets are written on the subway walls,
 and tenement halls."
 And whispered in the sounds of silence.

SACHAKI

Laugh at all my dreams, my dearest:
 Laugh, and I repeat anew,
 That I still believe in man,
 As I still believe in you.
 (Repeat last 2 lines)

Let the time be dark with hatred:
 I believe in years beyond.
 Love at last shall bind the people
 In an everlasting bond.
 (Repeat last 2 lines)

Sach'ki, sach'ki al hach'lo-mot,
 Zu ani ha-cho-lem sach,
 Sach'ki va-a-dam a-min
 Ki-o-de-ni ma-min bach.
 (Repeat last 2 lines)

BEAUTIFULRefrain:

You've got to get up every morning
 with a smile on your face
 And show the world all the love in your
 heart
 Then people gonna treat you better
 You're gonna find, yes you will
 That you're beautiful....as you feel.

Waiting at the station with a work day
 wind a-blowin'
 I've got nothing to do but watch the
 passers-by
 Mirrored in their faces I see frustration
 growing
 And they don't see it showing, why do I?
 (Refrain)

(Musical Interlude)

I have often asked myself the reason
 for the sadness in a world where
 tears are just a lullabye
 If there's any answer, maybe love can
 end the madness
 Maybe not, oh, but we can only try.
 (Refrain)

NO MAN WALKS ALONE

No man, no man walks alone.
 No man, no man walks alone.
 There's a reason for this prophecy.
 A promise made to you and me
 That no man, no man walks alone.

Refrain:

I tell you no man walks alone:
 No man walks alone.
 Just let your faith abide.
 Somebody's by your side.
 No man walks alone.
 No man walks alone.
 No man can make it on his own.

You take Joshua at the walls of Jericho:
 You take Joshua at the walls of Jericho:
 Though he was fearless on his own,
 He couldn't move those walls alone,
 For no man, no man walks alone.
 (Refrain)

You take Daniel who was thrown to the
 lions
 You take Daniel who was thrown to the
 lions
 He knew no fear, for he could hear
 A voice a-whisperin' in his ear
 That no man, no man walks alone.
 (Refrain)

You take the tribes of Israel walking
 cross the land:
 You take the tribes of Israel walking
 cross the land:
 Oh, they walked in a long line cross
 the land
 Not walking alone but hand in hand.
 Singing, no man, no man walks alone.
 (Refrain)

You take a small child and hold him by
 the hand
 You take a small child and hold him by
 the hand
 Then you see the faith he has in you.
 As young as he is, he knows it's true
 That no man, no man walks alone.
 (Refrain)

FREEDOM'S CALLING

What's that I hear now ringing in my ears?
 I've heard that sound before.
 What's that I hear now ringing in my ears?
 I hear it more and more.
 It's the sound of freedom calling;
 Ringing up to the sky.
 It's the sound of new ways a-calling.
 You can hear it if you try.
 You can hear it if you try.

What's that I see now shining in my eyes?
 I've seen that light before.
 What's that I see now shining in my eyes?
 I see it more and more.
 It's the light of freedom calling;
 Swinging up to the sky.
 It's the light of new ways a-calling.
 You can see it if you try.
 You can see it if you try.

What's that I feel now beating in my heart?
 I've felt that pain before.
What's that I feel now beating in my heart?
 I feel it more and more.
 It's the pain of freedom calling;
 Climbing up to the sky
 It's the pain of new ways a-calling.
 You can feel it if you try.
 You can feel it if you try.

FRIENDS (John Denver)

What a friend we have in time,
 Gives us children, makes us wine,
 Tells us what to take or leave behind.
 And the gifts of growing old
 Are the stories to be told
 Of the feelings more precious than gold.

Refrain:
 Friends, I will remember you,
 Think of you, pray for you,
 And when another day is through
 I'll still be friends with you.

Baby's days are never long,
 Mother's laugh is baby's song,
 Gives us all the hope to carry on.
 (Refrain)

BLOWIN' IN THE WIND

How many roads must a man walk down
 Before they can call him a man?
 How many seas must a white dove sail
 Before she sleeps in the sand?
 How many times must the cannonballs
 fly
 Before they're forever banned?

Refrain:

The answer, my friend,
 Is blowin' in the wind:
 The answer is blowin' in the wind.

How many years must a mountain exist
 Before it is washed to the sea?
 How many years can some people exist
 Before they're allowed to be free.
 How many times can a man turn his head,
 And pretend that he just doesn't see?
 (Refrain)

How many times must a man look up
 Before he can see the sky?
 How many ears must one man have
 Before he can hear people cry?
 How many deaths will it take till he
 knows
 That too many people have died?
 (Refrain)

LET'S GET TOGETHER

Love is but a song we sing,
 And fear's the way we die:
 You can make the mountains ring,
 Or make the angels cry;
 Know the dove is on the wing,
 And you need not know why.

Refrain:

C'mon people
 Now smile on your brother.
 Everybody get together,
 Try to love one another right now.

Some will come and some will go
 And we shall surely pass
 When the one that left us here
 Returns for us at last
 We are but a moment's sunlight
 Fading on the grass.
 (Refrain)

If you hear the song we sing,
 Then you will understand;
 You hold the key to love and fear
 All in your trembling hand
 One key unlocks them both, you know,
 And it's at your command (Refrain)

THE BOAT SONGRefrain:

We're in the same boat, brother.
 We're in the same boat brother.
 And when you shake one end
 You're gonna (clap) rock the other
 In the same boat, brother.

Well, the Lord looked down
 From His holy place,
 Said, "Lordy, Me,
 What a sea of space.
 What a spot to launch the human race."
 So....He.....
 Built Him a boat with a mixed-up crew,
 With eyes of black and brown and blue.
 And that is why
 Both you and I
 Have just one world with just one sky.
 (Refrain)

Well, the boat rolled on
 Through storm and grief;
 Past many a rock
 And many a reef
 What kept them going
 Was the great belief:
 That..... The.....
 Human race was special freight,
 And if you want to navigate:
 If you don't wanna be
 In Jonah's shoes
 You better be mates
 On this here cruise.
 (Refrain)

Well, the boiler blew...
 Somewhere in Spain,
 And the keel was smashed
 In the Far Ukraine.
 The steam poured out
 From Oregon to Maine.
 It took a long while for the crew
 to learn
 What's bad for the bow ain't good
 for the stern
 When the deck takes fire
 In China Bay
 Korea's shores are gonna blaze away.
 (Refrain)

IF I HAD A HAMMER

If I had a hammer,
 I'd swing it in the morning.
 I'd swing it in the evening.
 All over this land.
 I'd swing out danger,
 I'd swing out warning.
 I'd swing out the love between
 M'brother and m'sister:
 All.....over this land.

If I had a bell,
 I'd ring it in the morning.
 I'd ring it in the evening
 All over this land.
 I'd ring out danger,
 I'd ring out warning.
 I'd ring out the love between
 M' brother and m'sister:
 All.....over this land.

If I had a song,
 I'd sing it in the morning
 I'd sing it in the evening
 All over this land.
 I'd sing out danger,
 I'd sing out warning.
 I'd sing out the love between
 M' brother and m'sister:
 All....over this land.

Now I have a hammer,
 And I have a bell
 And I have a song to sing
 All over this land.
 It's the hammer of justice;
 It's the bell of freedom;
 It's the song about the love between
 M' brother and m'sister,
 All....over this land.

SPRING

Open up your eyes and see the brand-
new day
Clear blue sky and brightly shining sun.
Open up your ears and hear the breezes
say
Everything that's cold and gray is gone.
Open up your hands and feel the rain
come on down,
Taste the wind and smell the flowers;
sweet perfume.
Open up your mind and let the light
shine in,
The earth has been reborn and life
goes on.

And do you care what's happening
around you?
Do your senses know the changes when
they come?
Can you see yourself reflected in
the seasons?
Can you understand the need to carry on?

Riding on the tapestry of all there is
to see
So many ways and oh, so many things.
Rejoicing in the differences,
There's no one just like me,
Yet as different as we are, we're
still the same.

And oh, I love the life within me.
I feel a part of everything I see,
And oh, I love the life around me,
A part of everything is here in me.
A part of everything is here in me.
A part of everything is here in me.

WEAVE ME THE SUNSHINERefrain:

Weave, weave, weave me the sunshine
Out of the falling rain.
Weave me the hope of a new tomorrow
And fill my cup again.
(Repeat refrain)

Well, I've seen the steel and the
concrete crumble
Shine on me again.
The proud and the mighty,
all have stumbled,
Shine on me again, now.
(Refrain)

They say that the tree of loving,
Shine on me again.
Grows on the bank of the river of
suffering.
Shine on me again.
(Refrain)

If only I could heal your sorrow,
Shine on me again,
I'd help you to find your new tomorrow.
Shine on me again.
(Refrain)

Only you can climb that mountain,
Shine on me again.
If you want to drink at that golden
fountain,
Shine on me again.
(Refrain)

A star is lit, and it calls quietly,
"The time has come, the time has come,"
The Sabbath day must fade away;
The time has come, the time has come,
To bid farewell to Sabbath.

The twinkling star beckons softly to her.
"Come out, my Queen, come out, my Queen."
The time is nigh to say goodbye,
The time has come, the time has come,
To sadly bid farewell to Sabbath.

ONEG SHABBAT SONGS

(Section G)

COME, OH SABBATH DAY

Come, Oh Sabbath day, and bring
Peace and healing on thy wings;
And to every troubled breast
Speak of the divine behest:
Thou shalt rest, Thou shalt rest.

Wipe from every cheek the tear,
Banish care and silence fear;
All things working for the best,
Teach us the divine behest:
Thou shalt rest, Thou shalt rest.

Come, gather to welcome the Sabbath,
our Queen.

Behold her descending, the holy,
the blest,

And with her the angels of peace,
and rest.

Draw near, O Queen, and here abide,
Draw near, draw near, O Sabbath Bride;
Peace be unto you, ye angels of Peace.

* THE BALLAD OF YOUNG JOSEPH

When Joseph was a very young boy
He had him a bunch of brothers
His father liked them all real well
But Joseph more that the others.

I said, "Joseph, Joseph"
When all was said and done;
His father liked them all real well
But Joe was the favorite son,
(oh yes)
But Joe was the favorite son.

Now Jacob gave his favorite son
A really jazzy sweater
That led his other sons to say
He liked their brother better.
He said, "Joseph, Joseph,"
Here's a real nice coat
And all the other boys agreed
That Joseph had his vote (oh yes)
That Joseph had his vote.

Now Joseph dreamed him a great big dream
That made his brothers sore,
For he said that they were bowing to him
With their heads down on the floor.

They said, "Joseph, Joseph,
What will you think of next?
You're calling us a bunch of wheat.
We're really very vexed. (oh yes)
We're really very vexed."

Then Joseph dreamed him another dream
Even bigger than the other:
Not just his brothers were bowing down,
But his father and his mother.

They said, "Joseph, Joseph,"
You think you're quite a star,
But let us tell you one thing, boy,
This time you've gone too far
(oh yes)
This time you've gone too far.

They took his colored coat away,
And gave him quite a hit here,
Then tied his hands behind his back,
And threw him in a pit there.

I said, "Joseph, Joseph,"
What a story, Bless my soul!
He thought he was the best thing yet
But he wound up in the hole. (oh yes)
But he wound up in the hole.

They took young Joseph to the road,
And treated him politely:
And said "cut out! Goodbye! So long!
We'll miss you day and nightly."

They said, "Joseph, Joseph"
We wish you lots of luck
With you in Egypt, brother
The Pharaoh better duck.

They said, "Joseph, Joseph,"
We wish you lots of luck
But with your type of character
You'll never earn a buck. (oh no)
You'll never earn a buck.

When David was just a little boy
 He had no money
 He had no toy.

He used to watch his father's sheep

 To watch his sheep upon the hill.
 To watch his sheep upon the hill,
 To watch his sheep upon the hill
 Would be a thrill.

Now:
 Play on your harp: Play little David
 Play on your harp: Little David, Play:

Little David, the shephard boy went out
 to fight Goliath.

Little David, the shepherd boy went out
 to fight the giant in his land.

He had his God on his left hand.
 And he had a little sling-shot on his
 right.

A heart full of courage:
 And he knew no fright:
 No, he knew no fright:
 No, he knew no fright that day.

Little David, the shepherd boy
 Went out to fight Goliath.
 Little David, the shepherd boy
 Went out to fight the giant in his
 land.

HA-LE-LU-U-YA.

THEY HAD FAITH

Long ago, in a time of shame,
Lived a man with faith in the Lord above
And Daniel was his name.
He had faith, Lord, He had faith,
And Daniel was his name.

Called before the King
To see how he would rate;
Proved to old King Nebuchadnezzar
That the Lord above was great.
He had faith, Lord, He had faith,
That the Lord above was great.

Daniel had three friends,
Also faithful Jews:
Their names were Shadrack, Meeshack,
Abedneego,
But the King didn't share their views.
They had faith, Lord, they had faith
But the King didn't share their views.

He said "Start up that furnace,
And let those flames grow higher."
He threw old Shadrack, Meeshack, Abedneego,
Into that burning fire.
They had faith, Lord, they had faith,
And they went into that fire.

The Lord did send his angel
To help those three boys brave,
Proved to old King Nebuchadnezzar that
The Lord above could save.
They had faith, Lord, they had faith
That the Lord above could save.

Then the King threw Daniel
To a hungry lion
Daniel petted that great big cat
And reminisced about Zion.
He had faith, Lord, He had faith.
He had faith, Lord, He had faith.
He had faith, Lord, He had faith.
He had faith.

MAN COME INTO EGYPT

There is a man come into Egypt
And Moses is his name
When he saw the grief upon us
In his heart there burned a flame
In his heart there burned a flame
Oh Lord
In his heart there burned a flame
And when he saw the grief upon us
In his heart there burned a flame.

There is a man come into Egypt
His eyes are filled with light
Like the sun come up in Egypt
He's come to drive away the night
He's come to drive away the night
Oh Lord
He's come to drive away the night
And like the sun come up in Egypt
He's come to drive away the night.

There is a man come into Egypt
To stir the hearts of men
We will follow him to freedom
Never wear those chains again
Never wear those chains again
Oh Lord
Never wear those chains again
And we will follow him to freedom
Never wear those chains again.

There is a man come into Egypt
He's come for you and me
On his lips a word is singing
And the word is "Liberty"
And the word is "Liberty"
Oh Lord
And the word is "Liberty"
And on his lips a word is singing
And the word is "Liberty."

CLOSE YOUR EYES AND POINT YOUR FINGER

Close your eyes and point your finger,
On the map just let it linger -
Any place you point your finger to,
There's someone with the same type
blood as you!

England, China, or Alaska,
Mexico or Madagascar,
Indonisia, Ireland, or Peru -
There's someone with the same type
blood as you!

No type of blood is better
No type of blood is best,
Each type of blood is just as good
No better than the rest!
so.....(chorus)

In the mountains or the valleys,
Rich hotels or slum-like alleys,
Any place you point your finger to,
There's someone with the same type
blood as you!

Plumbers, bankers, men of science,
Clerks or teachers, dwarfs or giants,
Makes no difference what they are or do
There's someone with the same type
blood as you!

It may be "A", or "B"
It may be "B", or "O",
Whatever type it may be, sir,
There's one thing you should know!
(chorus)

Nature has no favorite nation,
Color, creed or occupation -
Any place you point your finger to,
There's someone with the same type
blood as you!

Some day you may be in danger;
Then along will come a stranger
With a bit of blood to pull you thru....
A stranger's blood may save your life
for you!
(chorus)

THE WHOLE WIDE WORLD

Who am I and where do I come from?
WHO AM I AND WHERE DO I COME FROM?
I'm a man and I come from every land
The earth, the 7 seas I span
Every language I understand
I'm a man of the whole wide world.

What is the color of my skin?
WHAT IS THE COLOR OF MY SKIN?
I'm black, I'm white, I'm yellow,
I'm brown,
I've got a brother in every town,
I can't be up when my brother is down
I'm a man of the whole wide world.

It's been a long road that I've
travelled,
IT'S BEEN A LONG ROAD THAT I'VE
TRAVELLED,
Through darkness, ignorance, pain
and fear
Through times when the end seemed
mighty near
But I know where I'm going and the
road is clear --
To a man of the whole wide world.

JOHNNY APPLESEED

Oh, the Lord is good to me
And so I thank the Lord
For giving me the things I need,
The sun and the rain and the appleseed,
Oh, the Lord is good to me.

I wake up every day
As happy as can be,
Because I know that with this prayer
My apple trees, they will soon be there,
Oh, the Lord is good to me.

So here am I, 'neath the clear blue sky,
Doin' as I please.
Singin' with my feathered friends,
Hummin' with the bees.

And every seed I sow
Will grow into a tree
And someday there'll be apples there,
For everyone in the world to share,
Oh, the Lord is good to me.

THE BALLAD OF THE M.T.A.

LOVE IS SOMETHING IF YOU GIVE IT AWAY

Well, let me tell you of a story of
a man named Charlie,
On a tragic and fateful day,
He put ten cents in his pocket,
Kissed his wife and family,
Went to ride on the M.T.A.

Chorus:

Well, did he ever return?
No, he never returned,
And his fate is still unknown,
He may ride forever 'neath the
streets of Boston,
He's the man who never returned.

Charlie handed in his dime
At the Kendall Square station, and
he changed for Jamaica Plain,
When he got there the conductor
said "One more nickel,"
Charlie couldn't get off of that train.

Chorus:

Now all night long Charlie rides
through the station,
Cryin' "What will become of me?"
How can I afford to see my sister
in Chelsea,
Or my cousin in Roxbury?

Chorus:

Charlie's wife goes down to the
Scollary Square station,
Every day at quarter past two,
And through the open window, she
hands Charlie a sandwich,
As the train comes rumbling through.

Chorus:

Now ye citizens of Boston, don't
You think it a scandal,
How the people have to pay and pay,
Fight the fare increase, vote
for George O'Brien,
Get poor Charlie off the M.T.A.

Or else he'll never return,
No he'll never return and his fate
is still unknown,
He will ride forever 'neath the
Streets of Boston,
He's the man who'll never return.

Chorus:

Love is something if you give it away
Give it away, give it away,
Love is something if you give it away,
You'll end up having more.

It's just like a magic penny,
Hold it tight and you won't have any
Lend it, spend it, give it away,
You'll end up having more.

Chorus:

It's just like the KRAMMER spirit
When you're far you still seem near it
Whirl it, twirl it, spin it around
It comes right back to you.

Chorus:

COME ALONG

Why don't you
Come along (3)
Why don't you come along and
Sing this song. (3)
It'll make you happy.
Come along and sing this song (2)
Come along and it'll
Make you happy.

Clap your hands.
Stamp your feet.
Do all three.
Sing this song.

NO MAN IS AN ISAAND

No man is an island, no man stands alone.
Each man's joy is joy to me,
Each man's grief is my own.
We need one another, so I will defend,
Each man as my brother, each man as
my friend.

I saw the people gather, I heard the
music start.
The song that they were singing,
Is ringing in my heart.

(Repeat first verse)

MARCHING TO PRETORIA

I'm with you and you're with me
And so we are all together, (3)
Sing with me, I'll sing with you,
And so we will sing together,
As we march along.

Dhorus:

We are marching to Pretoria, Pretoria,
Pretoria,
We are marching to Pretoria, Pretoria,
Hurrah!

We have food, the food is good
And so we will eat together (3)
When we eat, 'twill be a treat,
And so let us sing together,
As we march along.

Her glory shall rest on us all

Texas and Ohio to the California shore
Tell me, who could ask for more?

Chorus:

Yet she's only as rich as the poorest

Only as free as a padlocked prison door
Only as strong as our love for this
land
Only as tall as we stand, for

JOSHUA FIT DE BATTLE OF JERICHO

Chorus:

Joshua fit the battle of Jericho,

Jericho, Jericho (2)

And the walls came tumblin' down

You can talk about your king of Gideon

You can talk about the wisdom of Saul

But there's none like good old Joshua

At the battle of Jericho (CHORUS)

Up to the walls of Jericho

They marched with spear in hand

Go blow them ram horns, Joshua cried

Cause the battle is in my hand (CHORUS)

Then the lamb, ram, sheep horn began
to blow

The trumpet began to sound

And Joshua commanded the children to
shout

And the walls came tumblin' down.

CHORUS

EARLY IN THE MORNING

Chorus:

Well early in the morning

About the break of day

I asked the Lord help me find the way,

Help me find the way

To the promised land.

This lonely body needs a helping hand,

I asked the Lord to help me please,

Find the way.

When the new day is a dawning

Bow my head in prayer

I pray to the Lord won't you lead me
there?

Won't you guide me safely

To the golden stair?

Won't you let this body

Your burden share?

I pray to the Lord won't you lead me
please,

Lead me there?

When the judgment comes

To find the world in shame,

When the trumpet blows

Won't you call my name?

When the thunder rolls and the
heavens rain,

When the sun turns black,

Never shine again,

When the trumpet blows

Won't you call me please,

Call my name?

ROCK O' MY SOUL

Rock o' my soul in the bosom of Abraham

Rock o' my soul in the bosom of Abraham

Rock o' my soul in the bosom of Abraham

OH, rock o' my soul.

So high, you can't get over it

So low, you can't get under it

So wide, you can't go round of it

OH, rock o' my soul.

FOLLOW THE DRINKIN' GOURD

Chorus:

Follow the drinkin' gourd (2)
 For the old man is a waitin'
 For to carry you to freedom
 If you follow the drinkin' gourd.

When the sun comes up and the first
 quail calls,

Follow the drinkin' gourd
 For the old man is a waitin'
 For to carry you to freedom
 If you follow the drinkin' gourd
 CHORUS

The river ends between two hills,
 Follow the drinkin' gourd.
 There's another river on the other side
 If you follow the drinkin' gourd.
 CHORUS

The river bank makes a mighty good road
 The dead trees will show the way
 With a left foot, peg foot, travelin on
 Follow the drinkin' gourd.
 CHOURS

THEY SHALL NOT HURT

They shall not hurt,
 They shall not destroy,
 In my holy mount in:
 For the earth shall be full
 Of the knowledge,
 The knowledge of the Lord,
 As the waters cover the sea. (2)

And they shall sit, every man
 Under his vine and fig tree
 And none shall make them afraid. (4)

IF I HAD MY WAY

You read about Samson
 You read about his birth
 He was the strongest man that ever
 lived on earth
 One day that Samson was a walkin alone
 He looked down on the ground
 And saw an old jawbone
 He lifted up that jawbone
 And he swung it over his head,
 And when he got to movin'
 Ten thousand was dead.
 If I had my way,
 If I had my way in this wicked world
 If I had my way
 I would tear this building down.

Delilah she was a woman
 She was fine and fair.
 She had lovely looks, God knows,
 And coal black hair.
 Delilah she climbed up on Samson's
 knee
 She said, "Tell me where your strength
 lies, if you please."
 She talked so fine, she talked so fair,
 Samson said, "Delilah, cut off my hair
 Shave me head, just as clean as your
 hand
 And my strength will be like a natural
 man."
 If I had my way,
 If I had my way in this wicked world
 If I had my way
 I would tear this building down.

BOYS: May He in His wisdom always care for you.

GIRLS: May the Lord protect and defend you

WE ARE WHAT WE ARE

Chorus:

If I am not for myself
Who will be for me?
And if I'm only for myself, what am I?
And if not now, when (2)

Who am I?

How many times I've asked that question.
I am I and you are you.
I offer my soul to you;
In turn give me yours. CHORUS

I look in the mirror,
And what do I see?
I see reflections of the real me.
Am I just flesh, bones, hair, and
clothes,
Or am I person that nobody knows?
CHORUS

Do I have feelings that cannot be hid-
den?
When of my temper will I be ridden?
Can I see in a piece of glass
Who I really am?
No, I don't think I can.
But I'm still grateful for what I am.

CHORUS (twice)

HAPPINESS RUNS

Group I: Happiness runs,
Happiness runs.

Group II: Ba ba ba, etc.

Group III:

Happiness runs in a circular
motion,
Thought is like a little boat
Upon the sea.
All our souls are deeper than
You can see.
You can have everything
If you let yourself be
Everybody is a part of everything
anyway,
You can have everything if you
let yourself be.

TEACH YOUR CHILDREN

You who are on the road
Must have a code
That you can live by.
And so become yourself,
Because the past
Is just a good-bye.

Teach your children well,
Their father's hell
Will slowly go by.
And feed them on your dreams;
The one they pick,
The one you'll know by.

CHORUS:

Don't you ever ask them why,
If they told you, you would cry.
So just look at them and sigh,
And know they love you.

And you, of tender years
Can't know the fears
That your elders grew by.
And so please
Help them with your youth;
They seek the truth
Before they can die.

Teach your parents well,
Their children's hell
Will slowly go by.
And feed them on your dreams
The one they pick,
The one you'll know by.

CHORUS

DAY BY DAY

Day by day, day by day,
Oh, dear Lord, three things I pray:
To see Thee more clearly,
Love Thee more dearly,
Follow Thee more nearly,
Day by day.

REPEAT

.. CIRCLE GAME

Yesterday a child came out to wonder
 Caught a dragonfly inside a jar
 Fearful when the sky was full of thunder
 And tearful at the falling of a star
 Then the child moved ten times round
 the seasons
 Skated over ten clear frozen streams
 Words like, when you're older,
 must appease him
 And promises of someday make his dreams.

Chorus:

And the seasons they go round and round
 And the painted ponies go up and down
 We're captive on the carousel of time
 We can't return we can only look behind
 From where we came
 And go round and round and round
 In the circle game.

Sixteen springs and sixteen summers gone
 now

Cartwheels turn to car wheels
 thru the town
 And they tell him, Take your time,
 it won't be long now,
 Till you drag your feet to slow the
 circles down.

Chorus:

So the years spin by and now the boy
 is twenty
 Though his dreams have lost some
 : grandeur coming true
 There'll be new dreams, maybe better
 dreams and plenty
 Before the last revolving year
 is through.

Chorus:

I BELIEVE IN MUSIC (40)

Well, I could just sit around
 Makin' music all day long.
 Long as I'm makin' music
 I know I can't do nobody wrong.
 And who knows, maybe someday
 I'll come up with a song.
 That makes people wanta stop
 Their fussin and fightin'
 Just long enough to sing along.

Chorus of: I Believe in Music

I believe in music)
 I believe in love)²

Music is love, love is music
 If you know what I mean.
 People who believe in music
 Are the happiest people I've ever seen.
 So clap your hands, stomp your feet,
 Shake your tambourine.
 Lift your voices to the sky.
 God loves you when you sing.

Chorus:

Music is the universal language
 And love is the key.
 To brotherhood and peace and
 understanding
 To livin' in harmony.
 So take your brother by the hand
 And sing along with me.
 And find out what it really means
 To be young and rich and free.

Chorus:

FRIENDS (Elton John)

I hope the day will be a lighter
 highway,
 For friends are found on every road.
 Can you ever think of any better way
 For the lost and weary travellers
 to go?

Chorus:

Making friends for the world to see
 Let the people know
 You got what you need.
 With a friend at hand
 You will see the light,
 If your friends are there
 Then everything's all right.

It seems to me a crime that we should
 age,
 These fragile times should never
 slip us by.
 A time you never can or shall erase
 As friends together watch their
 childhood fly.

Chorus:

EVERYDAY PEOPLE

Sometimes I'm right
And I can be wrong
My own beliefs are in my song.
The butcher, the banker,
The drummer and then,
Makes no difference
What group I'm in.

Chorus: I am everyday people.

There is a blue one
Who can't accept the green one
For living with a fat one
Trying to be a skinny one;
And different strokes
For different folks.
And so on and so on,
And scooby dooby dooby
Doo sha sha.
We got to live together!

I am no better
And neither are you
We are the same
Whatever we do.
You love me,
You hate me,
You know me and then,
You can't figure out
The bag I'm in.

Chorus:

There is a long hair who
Doesn't like the short hair
For being such a rich one
That will not help the poor one;
And different strokes
For different folks.
And so on and so on
And scooby dooby dooby,
Doo sha sha.

There is a yellow one
That won't accept the black one
That won't accept the red one
That won't accept the white one;
And different strokes
For different folks.
And so on and so on
And scooby dooby dooby
Doo sha sha.
I am everyday people.

IF I HAD WINGS

If I had wings
No one would ask me
Could I fly?
The birds sing,
No one asks why.
I can see in myself
Wings as I feel them.
If you see something else,
Keep your thoughts to yourself,
I'll fly free then.

Yesterday's eyes
See their colors fading away.
They see their sun
Turning to grey.
You can't share in a dream
That you don't believe in
If you say that you see
And pretend to be me
You won't be then.

How can you ask
If I'm happy going my way?
You might as well ask
A child at play.
There's no need to discuss
Or understand me
I won't ask of myself
To become something else
I'll just be me.

Repeat first verse.

SUNSHINE ON MY SHOULDERS

Sunshine on my shoulders makes me happy
Sunshine in my eyes can make me cry
Sunshine on the water looks so lovely
Sunshine almost always makes me high.

If I had a day that I could give you
I'd give to you a day just like today
If I had a song that I could sing for you
I'd sing a song to make you feel this way.

Repeat chorus

If I had a tale that I could tell you
I'd tell a tale sure to make you smile
If I had a wish that I could wish for you
I'd make a wish for sunshine all the while.

Chorus:

SPRING

Open up your eyes and see the brand ..
 new day
 Clear blue sky and brightly shining sun.
 Open up your ears and hear the breezes say
 Everything that's cold and gray is gone.
 Open up your hands and feel the rain
 Come on down,
 Taste the wind and smell the flowers'
 sweet perfume.
 Open up your mind and let the light
 shine in,
 The earth has been reborn and life
 goes on.
 And do you care what's happening
 around you?
 Do your senses know the changes
 when they come?
 Can you see yourself reflected
 in the seasons?
 Can you understand the need to carry on?

Riding on the tapestry of all there
 is to see
 So many ways and oh, so many things.
 Rejoicing in the differences,
 There's no one just like me,
 Yet as different as we are,
 we're still the same.
 And oh, I love the life within me.
 I feel a part of everything I see,
 And oh, I love the life around me,
 A part of everything is here in me. (3)

LITTLE BOY

Little boy go ride your pale horse in
 the park
 Count the golden butterflies
 And stay out till dark
 Never mind the grownups who sing
 their own songs.

Chorus:

So long (so long)
 Stay well (stay well)
 Love was here, now it's gone.

Little boy, you're older
 Keep life while you can
 Happy days and holidays
 So soon escape man
 Soon you'll be a grownup
 And sing your own song.

Chorus of: Little Boy

Little boy, your youth and
 And your summer is done
 You've found the sunset
 But you've lost the sun
 Now that you're a grownup,
 Sing your own song
 Some other autumn welll right
 All the wrong.

Chorus:

ONE TIN SOLDIER

Listen children to a story that was
 written long ago
 'Bout a kingdom on a mountain
 and the valley folk below
 On the mountain was a treasure buried
 deep beneath a stone
 And the valley people swore they'd
 have it for their very own.

Chorus:

Go ahead and hate your neighbor
 Go ahead and cheat a friend
 Do it in the name of heaven
 You can justify it in the end.
 There won't be any trumpets blowing
 Come the judgement day.
 On the bloody morning after,
 One tin soldier rides away.

So the people of the valley sent
 a message up the hill,
 Asking for the buried treasure:
 tons of gold for which they'd kill
 Came an answer from the kingdom:
 with our brothers we will share
 All the secrets of our mountain,
 all the riches buried there.

Now the valley cried with anger:
 mount your horses, draw your swords
 And they killed the mountain people,
 so they won their just reward
 Now they stood beside the treasure,
 on the mountain dark and red
 Turned the stone and looked beneath it:
 "Peace on Earth" was all it said.

Chorus:

FATHER AND SON

It's not time to make a change,
Just relax, take it easy,
You're still young, that's your fault
There's so much you have to know.
Find a girl, settle down,
If you want you can marry,
Look at me, I am old, but I'm happy.

I was once like you are now, and I know
That it's not easy
To be calm when you've found
Something going on,
But take your time, think a lot,
Why think of everything you've got
For you will still be here tomorrow
But your dreams may not.

How can I try to explain?
Cause when I do he turns away again
It's always been the same,
same old story.

From the moment I could talk
I was ordered to listen,
Now there's a way and I know
That I have to go away.
I know, I have to go.

It's not time to make a change,
Just relax, take it easy,
You're still young, that's your fault
There's so much you have to go through.
Find a girl settle down,
If you want to can marry.
Look at me, I am old, but I'm happy.

All the times that I've cried
Keeping all the things I knew inside
It's hard, but it's harder to ignore it.
If they were right, I'd agree
But it's them they know, not me
Now there's a way and I know
That I have to go away.
I know I have to go.

TAKE ME HOME, COUNTRY ROADS (46)

Almost Heaven, West Virginia,
Blue Ridge Mountains, Shenandoah River.
Life is old there, older than the trees,
Younger than the mountains,
Growin' like a breeze.

Chorus:

Country Roads, take me home
To the place I belong:
West Virginia, mountain momma,
Take me home, Country Roads.

All my memories gather 'round her,
Miner's lady, stranger to blue water.
Dark and dusty, painted on the sky,
Misty taste of moonshine,
Teardrop in my eye.

Chorus:

I hear her voice, in the
Morning hours she calls me,
The radio reminds me of my home far away,
And drivin' down the road I get a
Feelin' that I should have been home
Yesterday, ---Yesterday.

Chorus:

FRIENDS (John Denver)

What a friend we have in time,
Gives us children, makes us wine,
Tells us what to take or leave behind.
And the gifts of growing old
Are the stories to be told
Of the feelings more precious than gold.

Chorus:

Frinds, I will remember you,
Think of you, pray for you,
And when another day is through
I'll still be friends with you.

Baby's days are never long,
Mother's laugh is baby's song,
Gives us all the hope to carry on.

Chorus:

YOU'VE GOT A FRIEND

When you're down and troubled,
And you need some love and care
And nothin', nothin' is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

Chorus:
You just call out my name
And you know wherever I am
I'll come runnin' to see you again.
Winter, spring, summer, or fall
All you have to do is call
And I'll be there,
You've got a friend.

If the sky above you
Grows dark and full of clouds
And that ol' north wind begins to blow
Keep your head together
And call my name out loud;
Soon you'll hear me knockin' at
your door.

Chorus:
Now ain't it good to know
That you've got a friend
When people can be so cold?
They'll hurt you, yes, and desert you
And take your soul if you let them
Oh, but don't you let them.

Chorus:

WEAVE ME THE SUNSHINE

Chorus:
Weave, weave, weave me the sunshine
Out of the falling rain.
Weave me the hope of a new tomorrow
And fill my cup again. (sing it with me)

Repeat chorus

Well, I've seen the steel and the
concrete crumble
Shine on me again.
The proud and the mighty,
all have stumbled,
Shine on me again, now

Chorus:
(next column)

They say that the tree of loving,
Shine on me again.
Grows on the bank of the river of
suffering. Shine on me again.

Chorus:
If only I could heal your sorrow,
Shine on me again,
I'd help you to find your new tomorrow,
Shine on me again.

Shorus:
Only you can climb that mountain,
Shine on me again.
If you want to drink in the golden
fountain,
Shine on me again.

Chorus:

BOTH SIDES NOW

Bows and flows of angel hair,
And ice cream castles in the air,
And feather canyons everywhere,
I've looked at clouds that way.
But now they only block the sun,
They rain and snow an every one.
So many things I would have done,
But clouds got in my way.
I've looked at clouds from both sides now,
From up and down, and still somehow
It's clouds illusions I recall:
I really don't know clouds at all.

Moons and Junes and ferris wheels,
The dizzy dancing way you feel,
As every fairy tale comes real,
I've looked at love that way.
But now it's just another show,
You leave em laughing when you go.
And if you care, don't let them know,
Don't give yourself away.
I've looked at love from both sides now,
From give and take and still somehow
It's love's illusions I recall:
I really don't know love at all.

(next page)

Both sides Now cont'd

Tears and fears and feeling prours,
To say "I love you" right out loud,
Dreams and schemes and circus crowds,
I've looked at life that way.
But now old friends are acting strange,
They shake their heads, they say
I've changed.
But something's lost but something's
gained, in living every day.
I've looked at life from both sides now,
From win and lose and still somehow
It's life's illusions I recall:
I really don't know life at all.

ANTHEM/REVELATION

See the sun rise
Open up your eyes
Today is the very first day
Watch the morning come
Now the night is gone
Yesterday is so very far away
Trouble, you get out of my sight
You know I can't look at you when the
sun is so bright.
You know everything's coming
together now
Can't you see

And I live my life in celebration
That I've got a life to live
And I sing my song in revelation
That I've got a song that I
can give to you
And you know I do.

La la la la la la etc.

I was dying, now I can see
You know I'm just learning how it
feels to be free
You know I never really knew just what
it could be before.

Repeat chorus and la, la, la, etc.

RHYMES AND REASONS

So you speak to me of sadness
And the coming of the winter,
Fear that is within you now
That seems to never end.
And the dreams that have escaped you
And a hope that you've forgotten.
And you tell me that you need me now
And you want to be my friend.
And you wonder where we're going,
Where's the rhyme and where's the
reason?
And it's you cannot accept
It is here we must begin
To seek the wisdom of the children
And the graceful way of flowers in the
wind.

For the children and the flowers
Are my sisters and my brothers.
Their laughter and their loveliness
Would clear a cloudy day.
Like the music of the mountains
And the colors of the rainbow
They're a promise of the future
And a blessing for today.

Though the cities start to crumble
And the towers fall around us,
The sun is slowly fading
And it's colder than the sea.
It is written from the desert
To the mountains they shall lead us
By the hand and by the heart
And they will comfort you and me.
In their innocence and trusting
They will teach us to be free.

For the children and the flowers
Are my sisters and my brothers.
Their laughter and their loveliness
Would clear a cloudy day.
And the song that I am singing
Is a prayer for non-believers.
Come and stand beside us,
We can find a better way.

LEAN ON ME

Sometimes in our lives
We all have pain,
We all have sorrow.
But if we are wise
We know that there's always tomorrow.

Chorus:

Lean on me, when you're not strong
And I'll be your friend.
I'll help you carry on.
For it won't be long
Till I'm gonna need
Somebody to lean on.

Please swallow your pride
If you have things
You need to borrow.
For no one can fill those of our needs
That you won't let show.

You just call on me, brother,
When you need a hand.
We all need somebody to lean on.
I just might have a problem
That you'll understand.
We all need somebody to lean on.
CHORUS

If there is a load you have to bear
That you can't carry,
I'm right up the road,
I'll share your load
If you just call me.

THE CANDY MAN

Who can take a sunrise (who can take
a sunrise)
Sprinkle it with dew (sprinkle it
with dew),
Cover it with chocolate and a miracle
or two?
The candy man (the candy man)
The candy man can (the candy man can)
The candy man can
Cause he sprinkles it with love
And makes the world taste good.

Who can take a rainbow (who can take a
rainbow)
Wrap it in a sigh (wrap it in a sigh),
Soak it in the sun
And make a strawberry lemon pie?
The candy man (the candy man)
The candy man can (the candy man can)
The candy man can
Cause he mixes it with love
And makes the world taste good.

The candy man makes everything he bakes
Satisfying and delicious.
Talk about your childhood wishes!
You can even eat the dishes!

Who can take tomorrow (who can take
tomorrow)
Dip it in a dream (dip it in a dream),
Separate the sorrow and collect up
all the cream?
The candy man (the candy man)
The candy man can (the candy man can).
The candy man can
Cause he mixes it with love
And makes the world taste good.
And the world tastes good
Cause the candy man thinks it should.

SIMPLE SONG OF FREEDOM

CHORUS:

Come and sing a simple song of freedom.
Sing it like you've never sung before.
Let it fill the air
Tell the people everywhere
That we the people here don't want a war.

Hey there, Mister Black Man, can you
hear me?

I don't want your diamonds or your game.
I just want to be
Someone known to you as me
And I will bet my life you want the same.
CHORUS

Seven hundred million, are you listening
Most of what you read is made of lies.
But speaking one to one,
Ain't it everybody's sun?
To wake up in the morning when we rise?
CHORUS

Brother Yevtoshenko, are you busy?
If not, won't you drop a friend a line?
And tell me if the man
Who is plowing up your land
Has got the war machine upon his mind.

No doubt some folks enjoy doing battle.
Like presidents, prime ministers, and
kings.

So let us build them shelves
Where they can fight among themselves,
And leavethe people be who like to sing.

I'D LIKE TO TEACH THE WORLD TO SING . . .

I'd like to bulld the world a home
And furnish it with love,
Grow apple trees and honey bees
And snow white turtle doves.
I'd like to teach the world to sing
In perfect harmony,
I'd like to hold it in my arms
And keep it company.
I'd like to see the world for once
All standing hand in hand,
And hear them echo through the hills
For peace throughout the land.

THE SONG IS LOVE

First of all, I would like to say a
word or two.

I know you won't be thinking this
applies to you
But it's true, and it do.
All your life, you have had to sing
your song alone,
Not believing anybody could have known
But it's wrong, and you know . . .

CHORUS:

I've found a song, let me sing it with
you
Let me say it now while the meaning
is true
Wouldn't it be good if we could say it
together?
Don't be afraid to sing me your mind,
Sing about the joy that I know we can
find,
Wind them around and see what they
sound like together
The song is love (4).

Last of all, I would like to thank you
for the word or two,
Spoken in the moments when I needed you
To see me through,
And they do . . .
CHORUS

That's the song I hear,
Let the world sing today.
A song of peace that echoes on
And never goes away.
Put your hand in my hand,
Let's begin today.
Put your hand in my hand,
Help me find the way.

SING

Sing, sing a song,
Sing out loud,
Sing out strong.
Sing of good things, not bad.
Sing of happy, not sad.

Sing, sing a song,
Make it simple
To last your whole life long.
Don't worry that it's not good enough
For anyone else to hear.
Just sing, sing a song.

La, la, la, la, la, etc.

MAKE YOUR OWN KIND OF MUSIC

Nobody can tell ya
There's only one song worth singing.
They may try and sell ya,
Cause it hangs them up
To see someone like you.

CHORUS:

But you've gotta
Make your own kind of music,
Sing your own special song,
Make your own kind of music,
Even if nobody else sings along.

You're gonna be nowhere,
The loneliest kind of lonely.
It may be rough going--
Just to do your thing's
The hardest thing to do.

CHORUS

So if you cannot take my hand,
And if you must be going
I will understand.

REPEAT CHORUS

DON'T BE AFRAID TO LOVE

Don't be afraid to love and get love
returned,
Don't be afraid to tell everyone
you've learned
That love is a groovy thing,
It knows how to make you sing,
And it fills up your life with
Sunshine and joy.

Don't be afraid to give
All you've got to give.
One of these days you'll find
That's the way to live.
And living is what we all were put on
this earth to do,
So come on and live and be happy.
Don't be afraid to love.

MORNING HAS BROKEN

Morning has broken like the first
morning,
Blackbird has spoken like the first
bird.
Praise for the singing,
Praise for the morning,
Praise for them springing
Fresh from the world.

Sweet the rain's new fall,
Sunlit from heaven,
Like the first dew fall
On the first grass.
Praise for the sweetness
Of the wet garden,
Sprung in completeness
Where his feet pass.

Mine is the sunlight,
Mine is the morning,
Born of the one light
Eden saw play.
Praise with elation,
Praise every morning,
God's recreation of the new day.

REPEAT FIRST VERSE.

THE WORLD IS COMIN' TO A START

J' ever get the feelin' when you read
the papers
The world is cavin' in?
That the animal part of the human heart
Is finally gonna win?
Well, it just may be that what you see
Are the growin' pains of liberty;

CHORUS:

And the world ain't comin' to an end,
my friend:
The world's just comin' to a start!
I feel it in my heart
The world is comin' to a start!

Everybody's sayin' when you look about
you

The world is gone insane.
That the heavenly goal of the human soul
Will perish in the flame.
Well, it just may be that what they see
Is the storm before tranquility;
CHORUS

A commentator makes a grim prediction
The world ain't gonna work.
That the orderly line in the human mind
Has really gone beserk.
Well, it just may be that what we see
Are the dyin' throes of apathy;
CHORUS

SONG SONG BLUE

Song sung blue,
Everybody knows one;
Song sung blue,
Every garden grows one.
Me and you are subject to
The blues now and then,
But when you take the blues and make
a song,
You sing them out again,
Sing them out again.

Song sung blue,
Weepin' like a willow:
Song sung blue,
Sleepin' on my pillow.
Funny thing, but you can sing it
With a cry in your voice,
And before you know it, start to feelin'
Good, you simple got no choice.

NEW WORLD COMING

There's anew world coming
And it's just around the bend.
There's a new world coming,
This one's coming to an end.
There's a new voice calling,
You can hear it if you try.
And it's growing stronger
With each day that passes by.

There's a brand new morning
Rising clear and sweet and free.
There's a new day dawning
That belongs to you and me.
Yes, a new world's coming--
The one we've had visions of,
Coming in peace, coming in joy,
Coming in love.

BIG YELLOW TAXI

They paved Paradise, put up a parking
lot
With a pink hotel, a boutique,
And a swingin' hot spot.

CHORUS

Don't it always seem to go
That you don't know what you've got
Till it's gone
They paved paradise,
Put up a parking lot.

They took all the trees,
Put em in a tree museum.
And they charge the people
A dollar and a half just to see 'em.
CHORUS

Hey, farmer, farmer,
Put away the DDT now.
Leave me spots on the apples,
But give me the birds and the bees.
CHORUS

Late last night I heard the screen
door slam,
And a big yellow taxi took away my
old man.

CHORUS

PEOPLE GOT TO BE FREE

All the world over, so easy to see,
People everywhere just wanna be free,
Listen, please, listen
That's the way it should be
Peace in the valley, people got to
be free.

You should see
What a lovely, lovely world this
would be,
If everyone learned to live together.
Seems to me,
Such an easy, easy thing it should be,
Why can't you and me learn
To love one another?

Chorus:

If there's a man
Who is down and needs a helping hand,
All it takes is you to understand
And to pull him through.

Seems to me,
We got to solve it individually,
And I'll do unto you
What you do to me.

They'll be shoutin from the mountain
On out to the sea,
No two ways about it, people got to
be free.
Ask me my opinion, my opinion will be,
It's a natural situation
For a man to be free.

Oh what a feelin just come over
me,
It's enough to move a mountain,
Make a blind man see.
Everybody's dancin, come on let's
go see,
There's peace in the valley,
Now we all can be free.

MOONSHADOW

I'm being followed by a moonshadow
moonshadow - moonshadow
Leaping and hopping on a moonshadow
moonshadow - moonshadow
And if I ever lose my hands
Lose my plough, lose my land
Oh, if I ever lost my hands
Oh if
I won't have to work no more
And if I ever lose my eyes
If my colors all run dry
Yes, if I ever lost my eyes
Oh if
I won't have to cry no more
Yes, I'm being followed by a moonshadow
moonshadow - moonshadow
Leaping and hopping on a moonshadow
moonshadow - moonshadow
And if I ever lose my legs
I won't moan and I won't beg
Oh if I ever lose my legs
Oh if
I won't have to walk no more
And if I ever lose my mouth
All my teeth, north and south
Yes, if I ever lose my mouth
Oh if
I won't have to talk
Did it take long to find me
I ask the faithful light
Did it take long to find me
And are you going to stay the night
I'm being followed my a moonshadow
moonshadow - moonshadow
Leaping and hopping on a moonshadow
moonshadow - moonshadow
moonshadow - moonshadow
moonshadow - moonshadow
moonshadow - moonshadow

GIVE A DAMN

If you take the train with me
uptown through the misery of ghetto
streets in morning light they're
always night.
Take the window seat, put down your
Times, you can read between the lines,
just speak with the faces that you
meet beyond the window pane.

Chorus:
And it might begin to teach you
how to give a damn about your
fellow man. (2)

Just put your girl to sleep sometime,
with rats instead of nursery rhymes
with hunger and your other children
by your side.
And wonder if you'll share your bed
with something else that must be fed
for fear may lie beside you, or it
may sleep down the hall.

Chorus:

Come and see how well despair is
seasoned by the stifling air, see a
ghetto in the good old sizzling
summertime.
Suppose the streets were all on fire,
with flames like tempers leaping higher.
Suppose you lived there all your life,
do you think that you would mind?

And it might begin to reach you why
we give a damn about our fellow man
And it might begin to teach you how to
give a damn about your fellow man.
And it might begin to teach you,
why we give a damn.

HAPPINESS

Happiness is two kinds of ice cream finding your skate key, telling the time.
Happiness is learning to whistle, tying your shoe for the very first time.

Happiness is playing the drum in you own school band.
And happiness is walking hand in hand.

Happiness is five different crayons, knowing a secret, climbing a tree.
Happiness is finding a nickel, catching a fire-fly, setting him free.

Happiness is being alone every now and then.
And happiness is coming home again.

Happiness is having a sister, sharing a sandwich, getting along.
Happiness is singing together when day is through.
And happiness is those who sing with you.

Happiness is morning and evening, daytime and nighttime too.
For happiness is anyone and anything at all
That's loved by you.

THAT'S THE WAY IT'S GONNA BE

If you say that all the good times are gor
If you say this rain will keep rainin' on.
I'll walk along with my head held high.
I've got song and I'll sing it to the sky.
I may be wrong bit I'll live until I die.
That's the way it's gonna be, wait and see

And even though you say
The devil knocks at my door --
Though you say
My ship cannot reach the shore.
I've got a will and a thousand ways,
I've got a dream of better days --
I've got a smile that just stays and
stays.
That's the way it's gonna be.
Wait and see.

And even though you say
The tides are runnin' low,
Though you say
There's nowhere else we can go.
Detour is waitin'
For me round the bend.
I won't stay down on the count of ten.
Said it before and I'll say it again --
That's the way it's gonna be.
Wait and see.
Just you wait and see.

BEAUTIFUL

Chorus:

You've got to get up every morning
with a smile on your face
And show the world all the love in
your heart

Then people gonna treat you better
You're gonna find, yes you will
That you're beautiful... as you feel.

Waiting at the station with a work day
wind a-blowin'

Iv'e got nothing to do but watch
the passers-by

Mirrored in their faces I see frustration
growing

And they don't see it showing, why do I?

Chorus:

(Musical Interlude)

I have often asked myself the reason
for the sadness in a world where
tears are just a lullabye

If there's any answer, maybe love
can end the madness

Maybe not, oh, but we can only try.

Chorus:

TOO MUCH OF NOTHING

Too much of nothing
Can make a man feel ill at ease.
A-one man's temper might a-rise
While another man's temper might freeze.
In the days of long confession,
We cannot mock a soul.
When there's too much of nothing,
No one has control.

Chorus:

Say hello to Valerie,

Say hello to Marion.

Send them all my salary

On the waters of oblivion.

Too much of nothing

Can make a man amuse a king.

We can walk the streets and smoke like most,

But he don't know a thing.

It's all been done before,

It's all been written in the book.

But when there's too much of nothing,

Nobody should look.

Chorus of: Too much of Nothing

Too much of nothing

Can turn a man into a liar.

It can cause some man to sleep on nails

And another man to eat fire.

Everybody's doing something,

I heard it in a dream,

When there's too much of nothing,

Just makes a fella mean.

Chorus:

OPEN THE DOOR

Sometimes I remember the old days
When the world was filled with sorrow

You might have thought I was living

But I was all alone

In my heart the rain was falling

The wind blew, the night was calling

Come back, come back

I'm all you've ever known.

Chorus:

Open the door and come on in

I'm so glad to see you my friend

You're like a rainbow

Coming around the bend

And when I see you happy

Well, it sets my heart free

I'd like to be as good a friend to you

As you are to me.

There were friends who could always see me

Through the haze their smiles would

reach me

Sayin' OK, sayin' good-bye, sayin' hello

Soon I knew that what I was after

Was life and love, tears and laughter,

Hello my good friend, hello my darling

What do you know?

Chorus:

I used to think it was only me

Feelin' alone, not feelin' free

To be alive, to be a friend

Now I know we all have stormy weather

The sun shines through when we're

together

I'll be your friend right through to

the end.

Repeat chorus twice.

THE GREAT MANDELLA

So I told him
That he'd better shut his mouth
And do his job like a man.
And he answered,
"Listen, father,
I will never kill another."
He thinks he's better
Than his brother that died.
What the hell does he think he's doing
To his father who brought him up right?

CHORUS:

Take your place on the Great Mandella
As it moves through your brief moment
of time.
Win or lose now, you must choose now.
And if you lose you're only losing
your life.

Tell the jailer not to bother
With his meal of bread and water today.
He is fasting till the killing's over.
He's a martyr, he thinks he's a prophet,
But he's a coward.
He's just playing a game.
He can't do it, he can't change it--
It's been going on for ten thousand
years.

CHORUS

Tell the people they are safe now.
Hunger stopped him,
He lies still in his cell.
Death has gagged his accusations.
We are free now, we can kill now.
We can hate now--now we can end the
world.

We're not guilty; he was crazy!
And it's been going on for ten thousand
years.

CHORUS

THE MARVELOUS TOY

When I was just a wee little lad,
And full of health and joy,
My father homeward came one night
And gave to me a toy.
A wonder to behold it was
With many colors bright.
And the moment I laid eyes on it
It became my heart's delight.

CHORUS:

It went 'zip' when it moved
And 'bop' when it stopped,
'Whirr' when it stood still.
I never knew just what it was
And I guess I never will.

The first time that I picked it up
I had a big surprise,
For right on its bottom were two big
buttons
That looked like big green eyes.
I first pushed one and then the other
And then I twisted its lid.
And when I set it down again,
Here is what it did:

CHORUS

It first marched left and then marched
right,
And then marched under a chair.
And when I looked where it had gone
It wasn't even there!
I started to cry and my daddy laughed
For he knew that I would find
When I turned around my marvelous toy,
Was a chugging from behind.

CHORUS

Well, the years have gone by--
Too quickly it seems,
And I have my own little boy
And yesterday I gave to him
My marvelous little toy.
His eyes nearly popped right out of
his head,
And he gave a squeal of glee.
Neither one of us knows just what it is
But he loves it just like me.

Puff the Magic dragon
Lived by the sea
And frolicked in the autumn mist
In a land called Honalee.

Little Jackie Paper
Loved that rascal puff
And brought Him strings and sealing wax
And other fancy stuff
Together they would travel
On a boat with billowed sail
Jackie kept a lookout
Perched on Puff's gigantic tail.
Noble kings and princes
Would bow whenever they came
Pirate ships would lower their flags
When Puff roared out his name.

CHORUS:

A dragon lives forever
But not so little boys
Painted wings and giant's rings
Make way for other toys.
One grey night it happened
Jackie paper came no more
And Puff, that mighty dragon,
He ceased his fearless roar
His head was bent in sorrow
Green scales feel like rain
Puff no longer went to play along the
Without his life-long friend,
Puff could not be brave
So Puff, that mighty dragon
Sadly slipped into his cave.

Christopher Robin and I walked alone
 Under branches lit up by the moon
 Posing our questions to owl and eior
 As our days dissappeared all too soon
 But I wandered much further today than I should
 And I can't seem to find my way back to the woods

CHORUS:

 Back to the House at Pooh Corner by one

 Chase all the clouds from the sky
 Back to the days of Christopher Robin and Pooh

Whinnie the Pooh doesn't know what to do
 Got a honey jar stuck on his nose
 He came to me asking help and advice
 And from here no one knows where he goes
 So I sent him to ask of the owl if he's there
 How to loosen the jar from the nose of a bear

Sloop John B

We come on the Sloop John B
My grandfather and me
Round Nassau town we did roam
Sinking all night
Got into a fight
Well, I feel so break up
I want to go home.

CHORUS:

Hoist up the John B sail
See how the main sail sets
Call for the captain ashore
Let me go home
Let me go home
I want to go home (why won't you let me
go home)
Well, I feel so break up
I want to go home

First mate, he got drunk
Broke up the people's truck
Constable had to come and take him away
Sheriff John Stone
Why don't you let me alone, well
I feel so break up
I want to go home

CHORUS:

Well, the poor cook, he caught the fit
Throw away all of my grips
When he took and he ate up all of my corn
Let me go home (I want to go home)
Why won't you let me go home
This is the worst trip,
Since I have been born

CHORUS:

CHORUS:

What I Did For Love

Kiss today goodbye
The sweetness and the sorrow
Wish me luck. The same to you
But I can't regret
What I did for love, what I did for love
Look, my eyes are dry
The gift was ours to borrow
It's as if we always knew
And I won't forget
What I did for love, what I did for love
Gone, love is never gone
As we travel on, love's what we'll remember
Kiss today goodbye
And point me toward tomorrow
We did what we had to do
WON'T FORGET, CAN'T REGRET
WHAT I DID FOR LOVE
What I did for love

Annie's Song

You fill up my senses, like a night
in the forest
Like the mountains in springtime,
like a walk in the rain
Like a storm in the desert, like a
sleepy blue ocean
You fill up my senses, come fill
me again
Come let me love you, let me give
my life to you
Let me drown in your laughter, let
me die in your arms
Let me lay down beside you, let me
always be with you
Come let me love you, come let me
again
You fill up my senses, like a night

Like the mountains in springtime,
like a walk in the rain
Like a storm in the desert, like

You fill up my senses, come fill

Free to Be...You and Me

There's a land that I see
 Where the children are free
 And I say it ain't far
 To this land from where we are

Take my hand, come with me
 Where the children are free
 Come with me -- take my hand
 And we'll live...

In a land
 Where the river runs free
 In a land
 Through the green country
 In a land
 To a shining sea

And you and me are free to be
 You and me.

I see a land, bright and clear
 And the times coming near
 When we'll live in this land
 You and me, hand in hand

Take my hand -- come along
 Lend your voice to my song
 Come along -- take my hand
 Sing a song...

For a land
 Where the river runs free
 For a land
 Through the green country
 For a land
 To a shining sea
 For a land
 Where the horses run free

And you and me are free to be
 You and me

Every boy in this land
 Grows to be his own man
 In this land every girl
 Grows to be her own woman

Take my hand -- come with me
 Where the children are free
 Come with me -- take my hand
 And We'll run...

To a land
 Where the river runs free
 To a land
 Through the green country
 To a land
 To a shining sea
 To a land where the horses run free
 Where the horses run free

The Cat Came Back

Well old Mr. Johnson had troubles of his own
 He had a yellow cat, that would not leave it's home
 Though he tried and he tried just to give that cat away
 He gave it to a man going far, far away
 But.....

CHORUS:

The cat came back, the very next day
 Yes! The cat came back
 They thought he was a goner,
 But the cat came back, he just couldn't stay away
 Oh no, no, no

The man around the corner said he'd shoot that cat on sight
 He loaded up his shotgun with nails and dynamite
 Well he waited and he waited for that cat to come around
 Ninety-seven peices of that man were all they found.
 But.....

CHORUS:

He gave the cat to a boy with a ten-dollar note
 He said, "Take him to the river, and see if he will float"
 Well he tied a rope around his neck (it must've weighed a pound)
 They're still searching for the little boy that drowned.
 But.....

CHORUS:

Well, the A-Bomb fell just the other day
 The N-Bomb fell in the very same way.
 Russia's gone. Englands gone. And now the U S A
 The human race was finished without a chance to pray.
 But.....

CHORUS:

Mariah

Well way out here they have a name for wind, and rain, and fire
 The rain is Tess, the fire's Joe, and they call the wind, Mariah
 Mariah blows the stars around, and sets the clouds a flying
 Mariah makes the mountains sond like folks was out there dying

Mariah, Mariah, They call the wind Mariah

Before I knew Mariah's name, I heard her wail and whining
 I had a gal, and she had me, and the sun was always shining
 But then one day I left my gal, I left her far behind me
 Now I'm lost. So God-damn lost not even God can find me

Mariah, Mariah, they call the wind Mariah

Out here they have a name for rain and wind and fire only
 But when you're lost and all alone there ain't no word for lonely
 Now I'm a lost and a lonely man without a star to guide me
 Mariah blow my love to me, I need my gal beside me

Mariah, Mariah, they call the wind Mariah

Rainmaker

First day in August, last rain was in May
When the rainmaker came to Kansas in the middle
of a dusty day
Said the rainmaker to the people tell me what you're
prepared to pay
Said the rainmaker to the people well I'll conjure
up a rain today.

Ninety degrees 'neath the trees where it's shady
Hundred and ten in the (ah) hot sun
Heat from the streets burned the feed of the ladies
See how they run!

Called down the lightening by a mystical name
Then the rainmaker called on the thunder and it
suddenly began to rain
The rainmaker passed his hat to the people but the
people all turned away
Then the rainmaker's eyes and the Kansas skies, well
they both became a darker grey

First day in August, last rain was in May
When the rainmaker came to Kansas in the middle
of a dusty day
Well the rainmaker smiled as he hitched up his wagon, and
without a word he rode away
Then the people of the town heard the sound of his
laughter and they knew the rain had come to stay
Rain, rain, go away. Come again some other day, hey!

Thank God I'm a Country Boy

Well, life on a farm is kind-a laid back, ain't much an old country boy like me can't hack. It's early to rise, early in the sack:
Thank God I'm a country boy. A simple kind-a life never did me no harm, raisin' me a family and workin' on a farm. My days are all filled with an easy country charm: Thank God I'm a country boy.

CHORUS:

Well, I got me a fine wife, I got me old fiddle. When the sun's comin' up I got cakes on the griddle: And life ain't nothin' but a funny, funny riddle:.....Thank God I'm a country boy

When the work's all done and the sun's settin' low I pull out my fiddle and I rosin up the bow. But the kids are asleep so I keep it kinda low: Thank God I'm a country boy. I'd play Sally Goodin all day if I could but the Lord and my wife wouldn't take it very good. So I fiddle when I can and I work when I should: Thank God I'm a country boy.

CHORUS:

I wouldn't trade my life for diamonds or jewels, I never was one of them money hungry fools. I'd rather have my fiddle and my farmin' tools: Thank God I'm a country boy. Yeah, city folk drivin' in a black limousine, A lotta sad people thinkin' that's-a mighty keen. Well, folks let me tell you now exactly what I mean: Thank God I'm a country boy.

CHORUS:

Well, my fiddle was my daddy's till the day he died, and he took me by the hand and held me close to his side. He said, "Live a good life and play my fiddle with pride. And thank God you're a country boy." My daddy taught me young how to hunt and how to whittle. He taught me how to work and play a tune on the fiddle. He taught me how to love and how to give just a little: Thank God I'm a country boy.

CHORUS:

Session D, 1975

There Will Be Peace

CHORUS:

The Messiah comes to bring to us the word of peace:
Peace for the world: Let hatred cease
The Messiah comes to bring to us the word of peace:
Peace for the world: Let hatred cease

Treat all people as if they were Messiah,
Don't sit back waitin' for the world to turn
All it takes is a kind word and a smile,
Lend a hand to show a little more concern.
You'd better learn.

CHORUS:

Stop, look turn yourself around
That's your brother lyin' on the ground
There's no Messiah around to show you how
It's up to you to help him now
Do it now.

CHORUS:

AT END ADD:

There will be peace, there will be peace, a world of peace.

YOU MUST LOVE THE LORD

You must love the Lord your God
With all of your heart
And with all of your soul
And with all of your might
Take to your heart these words and obey
Let not your children cast them away
I CHARGE YOU THIS DAY!

You must bind them for a sign upon
arm
And place them for frontlets betwe
your eyes
Inscribe these words beside your door
That you remember evermore
That you be holy to your Lord
"I AM YOUR GOD"

Danny's Song

People smile and tell me I'm the lucky one
 And we've just begun
 I think I'm gonna have a son
 He will be like she and me
 As free as a dove
 Concieved in love
 Sun is gonna shine above

CHORUS:

And even though we ain't got money
 I'm so in love with you, honey
 And everything will bring a chain of love
 And in the morning when I rise
 You bring a tear of joy to my eyes
 And tell me everything is gonna be alright

Seems as though a month ago I was Beta Chi
 Never got high
 Oh, I was a sorry guy
 And now a smile, a face, a girl that shares my name
 Now I'm through with the game
 This boy will never be the same.

CHORUS:

Pisces, Virgo rising is a very good sign
 Strong and kind, and the little boy is mine
 Now I see a family where there wnce was none
 Now we've just begun
 Yeah, we're gonna fly to the sun

CHORUS:

Love the girl who holds the world in a paper cup
 Drink it up, love her, and she'll bring you luck
 And if you find she helps your mind, buddy, take her home
 Don't you live alone
 Try to earn what lovers own.

CHORUS:

The Times, They Are A Changin'

Come gather round people wherever you roam
And admit that the waters around you have
grown
And accept it that soon you'll be drenched
to the bone
If your time to you is worth saving
Then you better start swimming or you'll
sink like a stone
For the times, they are a changin'
Come writers and critics who prophesize
with your pen^{side}
And keep your eyes^{side} the chance won't come
again
And don't speak to soon, for the wheel's
still in spin
And there's no tellin' who that it's naming
For the loser now will be later to win
For the times, they are a changin'
Come senators, congressmen, please heed the
call
Don't stand in the doorway, don't block up
the hall
For he who gets hurt will be he who has stalled
There's a battle outside, and it's raging
It'll soon shake your windows and rattle your
walls
For the times, they are a changin'
Come mothers and fathers throughout the land
And don't criticize if you can't understand
Your sons and your daughters are beyond your
command
Your old road is rapidly aging
Please get out of the new one if you can't
lend your hand
For the times, they are a changin'
The line it is drawn, the curse it is cast
The slow one now will later be fast
As the present now will later be past
The order is rapidly fading
And the first one now will later be last
For the times, they are a changin'

If You Want To Sing Out

Well, if you want to sing out, sing out
 And if you want to be free, be free
 For there's a million things to be
 You know that there are.

And if you want to be me, be me
 And if you want to be you, be you
 But there's a million things to do
 You know that there are.

REFRAIN:

You can do what you want

 And if you find a new way.
 You can do it today.
 You can make it all true.
 And you can make it undo

And if you want to live high, live high
 And if you want to live low, live low
 There's a million ways to go
 You know that there are.

Where Do The Children Play

Well, I think it's fine buildin' jumbo planes
 Or takin' a ride on a cosmic train
 Switch on summer from a slot machine
 You can get what you want if you want, cause you can get anything

CHORUS:

I know we've come a long way
 We're changing day to day
 But tell me, where do the children play?

Well you roll on roads over fresh green grass
 For your lorry loads, pumpin' petrol gas
 And you make them long, and you make them tough
 But they just go on and on and it seems that you can't get off
 (CHORUS)

Well you've cracked the skyscrapes fill the air
 But will you keep on building higher till there's no more room up there
 Will you make us laugh? Will you make us cry?
 Will you tell us when to live? Will you tell us when to die?
 (CHORUS)

Doo doo doo doo doo doo doo doo doo---fade out.

The Puppy Song

Dreams are nothing more than wishes,
and a wish is just a dream you wish to come true.

If only I could have a puppy
I'd call myself so very lucky
He'd walk around beside the sea
And share a cup of tea with me.
I'd take my puppy everywhere
(La la la la) We wouldn't care.
But we would stay away from crowds,
And signs that said "No Dogs Allowed"

Oh, whee, I know he'd never bite me
Oh, whee, I know he'd never bite me.

If only I could have a friend
Who'd stick with me until the end.
He'd walk around beside the sea,
And share a bit of moon with me.
I'd take my friend most everywhere
(La la la la) We Wouldn't care.
But we would stay away from crowds,
And signs that said "No Friends All
ed"

Oh, whee, I know how happy we'd be
Oh, whee, I know how happy we'd be
Together

But,

Dreams are nothing more than wishes,
And a wish is just a dream you wish to come true.

Armstrong

Black boy in Chicago,
Playing in the street.
Not enough to wear,
Not enough to eat.
But don't you know he saw it,
On a July Afternoon;
Saw a man named Armstrong
Walk upon the moon.

Little girl in Calcutta
Barely eight years old.
Flies around the market place
Gonna see she don't get cold.
But don't you know she heard it,
On a July Afternoon;
Heard a man named Armstrong
Walk upon the moon.

River's gettin' dirty;
Air is gettin' Bad .
War and Hate are killing off
The only Earth we have.
But the whole world stopped to watch it,
On a July Afternoon;
Watched a man named Armstrong,
Walk Upon the moon.

I wonder if a long time ago,
Somewhere in the universe.
They watched a man named Adam,
Walk upon the Earth.

(repeat last verse)

Because All Men Are Brothers

Because all men are brothers,
Wherever men may be,
One union shall unite us
Forever proud and free;
No tyrants shall defeat us,
No nation strike us down.
All men who toil shall great us
The whole wide world around.

My brothers are all others,
Forever hand in hand.
Where chimes the bell of freedom,
There is my native land.
My brother's fears are my fears,
Yellow, White or Brown;
My brother's tears are my tears
The whole wide world around

Let every voice be thunder,
Let every heart be strong.
Until all tyrants perish,
Our work shall not be done.
Let not our memories fail us,
The lost years shall be found.
Let slavery's chains be broken,
The whole wide world around.

Going To The Zoo

Daddy's taking us to the zoo tomorrow
Zoo tomorrow, zoo tomorrow
Daddy's taking us to the zoo tomorrow
And we can stay all day.

CHORUS:

We're going to the zoo,zoo,zoo
How about you,you,you
You can come too,too,too
We're going to the zoo,zoo,zoo

See the elephants with the long trunk
swingin'
Great big ears and a long trunk swingin'
Snuffin' up peanuts with a long trunk
swingin'
And we can stay all day.

CHORUS:

See all the monkeys, they're scritch,scritch,
scritch
Jumpin' around, and scritch,scritch,scritch
Hanging by their long tails...
And we can stay all day.

CHORUS:

There's a big, black bear, he's a huff,huff,
huffin'
His coat's too heavy, and he's a huff,huff,
huffin'
Don't get too near the huff,huff,huffin'
Or you won't stay all day.

CHORUS:

There are the seals in the pool all honk,honk,
honkin'
Catching fish, and honk,honk,honkin'
Little tiny seals all honk,honk,honkin'
And we can stay all day.

CHORUS:

Well we stayed all day and I'm gettin' sleepy
Sittin' in the car getting sleep,sleep,sleepy
Home already and I'm sleep,sleep,sleepy
'Cause we have stayed all day

We been to the zoo,zoo,zoo
So have you,you,you
You came too,too,too
We been to the zoo,zoo,zoo

Mommy's takin' us to the zoo tommorrow
Zoo tommorrow,zoo tommorrow
Mommy's takin' us to the zoo tommorrow
And we can stay all day.

CHORUS:

Eire Canal

CHORUS:

Oh, the Eire (ear-eye-eee)
was'a rising
And the gin was'a gettin'
And I scarcely think we'll
get our drink
Till we get to Buffalo
(Till we get to Buffalo)

We were fourty miles from A!
bany
Forget it I never shall
What a terrible storm we had
one night on the Ear-eye-
eee(Eire) canal.
We were loaded down with barle;
Chock up full of rye
When the captain he looked down
on me with that gul-darned
wicked eye

CHORUS:

Two days out from Syracuse
The vessel struck a shoal
And we'd liked to all but
foundered on a hunk of
Lack-a-wana coal
We hollered to the captain
On the tow-path treadin' di
So he jumped on board and s
ed the leak with his old
red-flannel shirt

CHORUS:

The cook, she was a grand old
gal
She had a ragged dress
So we heisted her upon a pole
as a signal of distress
When we got to Syracuse, the
off-mule, he was dead
The neigh-mule had blind-stag-
gers, so we cracked him on
the head

CHORUS:

Captain he got married.
Cook, she went to jail.
And I am the only sea-cook son
that's left to tell the
tail.

CHORUS:

(in harmony, yet....)

KADDISH

Magnified and santified
 Be the great name of God
 Throughout the world he made
 According to his will
 And may his kingdom be fulfilled
 Before our very eyes
 And may his will be done
 Throughout the world.

May he be praised
 May he be blessed
 Though he is high...
 Above our praises and our blessings

THE SINKING OF THE REUBEN JAMES

Have you heard of a ship called the good Reuben James
 Manned by hard fighting men both of honor and of fame?
 She flew the stars and stripes of the land of the free
 But tonight she's in her grave at the bottom of the sea.

Refrain:

Tell me what were their names?
 Tell me what were their names?
 Did you have a friend on the good Reuben ~~MM~~ James?
 What were their names?
 Tell me what were their names?
 Did you have a friend on the good Reuben James?

One hundred men went down to that dark watery grave
 When that good ship went down only forty-four were saved
 Was the last day of October that they saved forty-four
 From the cold icy waters by the cold Iceland shore

Refrain:

It was there in the dark of that uncertain night
 That they watched for the U-Boats and waited for the fight.
 Then the wine and the rock and the great explosion roar
 And they laid the ~~REUBEN~~ Reuben James on the cold ocean floor.

Refrain:

Well many years have passed since those brave men are gone
 And those cold icy waters now are still and they're calm
 Many years have passed - but I still wonder why
 The worst of men must fight and the best of men must die.

An Old-Fashioned Love Song

Just an old fashioned love song playing
on the radio

And wrapped around the music is the
sound of someone promising they'll
never go

You'll swear you've heard it before as
it slowly rambles on and on

No need in bringing 'em back 'cause they've
never really gone.

CHORUS:

Just an old fashioned love song

Coming down in three part harmony

Just an old fashioned love song

One I'm sure they wrote for you and me

To weave our dream upon and listen to each
evening when the lights are low.

To underscore our love affair with tender-
ness and feeling that we've come to know

You'll swear you've heard it before as
it slowly rambles on and on

No need in bringing 'em back 'cause they've
never really gone

CHORUS:

We've Only Just Begun

We've only just begun

To live

White lace and promises

A kiss for luck and we're
our way

Before the rising sun

We fly

So many roads to choose

We start out walking and lea
to run

And yes we've just begun

Sharing horizon that are new
us

Watching the signs along the
way

Talking it over just the two
us

Working together day to day
Together

And when the evening come

We smile

So much of life ahead

We find a place where there
room to grow

And yes we've just begun

To live

We've only just begun

If I Had My Way

You read about Samson
You read about his birth
He was the strongest man
That ever lived on Earth
One day that Samson was a walkin' alone
He looked down on the ground
And he saw an old jawbone
And he lifted up that jawbone
And he swung it over his head
And when he got through moving
Ten-thousand was dead!

CHORUS:

If I had my way---
If I had my way in this wicked world
If I had my way I would tear this building down

Delilah she was a woman
She was fine and fair
She had lovely looks, God knows
And coal black hair
Delilah she climbed up on Samson's knee
She said, "Tell me where your strength lies,
If you please"
She talked so fine, She talked so fair
Samson said, "Delilah cut of my hair."
"Shave my head, just as clean as your hand,
And my strength will be that of a natural man"

The Seventh Day

REFRAIN:
Six days...six days shalt thou labour
Six days, six days shalt thou work
But the Sabbath shall be holy
And blessed,
And blessed throughout the world

Let there be joy
And a feeling of happiness
Sharing with others
A growing togetherness

REFRAIN:

Let there be peace
Let it come with the Sabbath
And let there be love
For all our tomorrows

REFRAIN:

On The Sabbath

REFRAIN:
On the Sabbath we choose not to take
But to give: yes, to give
Not to own, but to share: yes, to share
Feeling for people and lending a hand
Loving and showing that we're free
Helping each other throughout the land
Open your eyes and you will see

REFRAIN:

Visions of peace are reflected through
thought
Expressions of love fill the air
Warm rays of friendship that cannot be
bought
And Sabbath joy is everywhere

REFRAIN:

Song of Creation

On the very first day of the world
God created the darkness and light
On the day after that, on the second day
He made the heavens and Earth, to the world he gave birth
And he said in his mighty delight:
It was good, It was good, It was very, very good
Ya-ba-ba Chiri Bim Chiri Bom!

On the third day of the world God created the fruit of the Earth
On the day after that, on the fourth day
He made the moon and the sun to give light to everyone
And he said in his mighty delight:
It was good, etc.

On the fifth day of the world God created all beings that live
On the day after that, on the sixth day
He made his final sensation, the crown of creation
And said in his mighty delight
It was good, etc.

I Will Lift My Eyes

REFRAIN:
I will lift my eyes to the mountains
From where shall my help come?
My help comes from the lord above
Creator of everyone

The mountains with ocean below them
The whispering wind through the tree
The sweet smell of flowers
The rivers that flows, oh, so free

REFRAIN:

As we gaze at the Heavens
Admiring the work of Your hands
The moon and the stars that surround
us

The creation of man.

REFRAIN:

When God Made The World

REFRAIN:
When God made the world
He made it full of light
The sun to shine by day
The moon and stars at night
The sun in the day:
The giver of light
Can make the day happy;
Can make the day bright

REFRAIN:

The moon and the stars
In the darkness of night
God made for all creatures
A glorious night

Me and Julio Down By the Schoolyard

The mama pajama rolled out of bed
And ran to the police station
When the papa found out he began to shout
And he started the investigation
 It's against the law
 It was against the law
 What the mama saw
 It was against the law

The mama looked down and spit on the ground
Everytime my name gets mentioned
The papa said "Oy, if I get that boy
I'm gonna stick him in the house of detention"

 Well I'm on my way
 I don't know where I'm going
 I'm on my way I'm taking my time
 But I don't know where
 Goodbye to Rosie the queen of Corona
 See you, me and Julio down by the
 schoolyard

 (repeat)

 (repeat)

In a couple of days they come and take me
 away
But the press let the story leak
And when the radical priest come to get me
 released

We was all on the cover of Newsweek
 And I'm on my way
 I don't know where I'm going
 I'm on my way I'm taking my time
 But I don't know where
 Goodbye to Rosie the queen of Corona
 See you, me and Julio down by the
 schoolyard

Barbara Allen

All in the merry month of May, when cream puff
 are a dwelling
Sweet William on his death bed lay for love of
 Barbara Allen
He sent his servant to the town, the place where
 she did dwellin
Saying, "Master dear hast sent me here, if your
 name be Barbara Allen"

Then slowly, slowly, she got up, and slowly she went to him.
And all she said, when there she came, was "young man I think you're dying"
"Don't you remember the other night when we were in the tavern"
"You drank a toast to the ladies there, and sleighted Barbara Allen"
He turned his face unto the wall, he turned his back upon her
"Adeiu, Adeiu, to all my friends, and be kind, be kind to Barbara Allen"

As she was walking on the fields, she heard the death bell knelling
And every note did seem to say "Hard-hearted Barbara Allen"
The more it tolled, the more she grieved. She bursted out in crying.
"Oh pick me up, and carry me home, I feel that I am dying"
They buried Willie in the old churchyard, and Barbara in the New one
And from William's grave, there grew a rose, from Barbara's a green brier.
They grew and grew in the old churchyard, till they could grow no higher
And there they tied in a true lovers know. the red rose & the brier.

I Shall Sing

I shall sing, sing my song
Be it right, be it wrong
In the night, in the day
Anyhow, anyway
I shall sing

la, la, la, etc.

With my heart, with my soul
For the young, for the old
When I'm high, when I'm low
When I'm first, when I'm slow
I shall sing

la, la, la, etc.

I shall sing, sing my song
Be it right, be it wrong
In the night, in the day
Anyhow, anyway
I shall sing

la, la, la, etc.

Woyaya

We are going, heaven knows
 where we are going
We'll know we're there

We will get there, heaven
 knows how we will get

We know we will

It will be hard we know,
And the road will be muddy
 and rough

But, We'll get there, heaven
 knows how we will get th

TRYIN' TO WIN

You know it's hard to love another man's girlfriend
You can't see her when you want to
You gotta see her when you can

We may be fighting
A losing battle...
But having a lot of fun-
Tryin' to win

I've thought it over
From these points of view,
One way love
Ain't no good for two

We may be fighting
A losing battle...
But having a lot of fun-
Tryin' to win.

Here's my confession baby,
I want you to take heed.
From this day on darling
You can do anything you please.

I asked ~~by~~ my baby
Should I go west
The man wants me to leave
Do you want me to stay?

We may be fighting
A losing battle...
But having a lot of fun-
Tryin' to win

Here's my confession baby
I want you to take heed
From this day on baby
You can do anything you please.

I asked my baby
Should I go wast.
Man wants me to leave
Do you want me to stay?

We may be fighting a losin battle
But having a lot of fun-
Tryin' to win

We may be fighting a losing battle
But having a lot of fun
Tryin' to win

We may be fighting a losing battle
But having a wonderful time....
Wish you were here!!!!

Riding many a mile.
Father, have you brought me hope
Or have you paid my fee
Or have you come to see me hangin'
From the gallows tree.
I have not brought you hope
I have not paid your fee
Yes, I have come to see you hangin'
From the gallows tree.
Slack your rope, hangman

You Shall Live It

God's vision: vision of law.
Is the Torah (Torah) (Torah)
We must learn how: how to follow
The Torah (Torah) (Torah)

Let us open our hearts
And be thankful unto Him:
Unto Him.
Let us light up His words,
And not let the light turn dim:
Turn dim.

** At Mount Sinai:
Written by God's hand
Given to Moses
Goin' to the Promised Land

A hope for the future,
A promise for man,
"You shall live it," was God's
command.

A hope for the future,
A promise for man,
"You shall live it,"
Was God's.....command.

**(substitute second time)
The Torah is a tree:
A tree with many branches:
Open up your mind and
Gather all its knowledge.

A hope.....,etc.

Cherish The Torah

REFRAIN:

Cherish the Torah
Heritage holy:
Treasure its thoughts and treasure
its ways.
Learn from its pages
The law and the legends.
To Torah, we offer all of our prai

We owe it to our fathers
To keep the Torah living.
They struggled and they suffered
But they kept on giving
Through their tears and triumphs
They looked ahead and saw
Future generations
Carrying on the law.

REFRAIN:

We owe it to our children
To keep the Torah living.
It's up to us to tell them
What the Torah's giving.
Why should they be left without
The riches that are theirs?
The glory of the Torah
The wisdom that it bears.

REFRAIN:

We owe it to ourselves now
To keep the Torah living
Through honest work and study
And charity and giving
Torah is a precious gift,
The greatest one we've got.
Good doctrine has been given you
Please forsake it not.

Laugh At All My Dreams

Laugh at all my dreams, my dearest
Laugh, and I repeat anew
That I still believe in man,
As I still believe in you.
By the passion of our spirit
Shall our ancient bonds be shed:
Let the soul be given freedom,
Let the body have it's bread.

For my soul is not yet sold
To the golden calf of scorn
For I still believe in man
And, the spirit in him born

Life, and love and strength and action
In our hearts and blood shall beat
And our hopes shall be both heaven,
And the earth beneath our feet.

Laugh at all my dreams, my dearest
Laugh and I repeat anew
That I still believe in man
As I still believe in you.
