

SONGS OF LEADERSHIP 2012

Sung To The Tune Of “Walking on Sunshine”

I used to think that seven was early
Now, baby it's four
And no I don't want to stand up
And cheer any more
Man landings, Camp stamps and mohawks
We're frolicking 'round
So watch out I think there's some dirt over there on the ground

Chorus:

All right now!
We're hiking with L'ship (whoa-o!)
Got first session questions (Oh no!)
Why are we stopping (Let's go!)
Be better than the gap!
L! Doo doo.....
12! Doo doo.....

Found a dead bird and a lizard
Way down in the grotto
Business in front and a party in back
That's our motto
Poison oak growing all over
Just like Adonai
But I'm stuck with cream cheese and jelly
Think I'm gonna cry
(Chrous)

Hey!
