

# SONGS OF LEADERSHIP 1981

## Cheer

Well, all thru Hess Kramer there's been a lot of talk about a group called  
Leadership,  
And the way they walk. They walk thru the creeks with blistered toes,  
All dressed up in our smelly, grubby clothes.  
Well LEA-DER-SHIP '81!

## Jello Song

Watch us tripping, see us limping,  
Hot and thirsty - It's Leadership of '81  
Of all the hikes, ours is the best,  
For 3 days we outdid the rest,  
The Leadership hike of '81.

## Haskivaynu

Leadership of '81  
Playing, singing, having fun  
hiking and baking in the Sun  
Leadership '81.  
The first day was the toughest one,  
The second day we were nearly done,  
We wore filthy beach bums,  
Leadership '81 (2x)

## Adoration

### Echo Each Line:

Let us ignore	
The ever present bugs	
And the dust up our nose	
And the very smelly clothes	
We spread out our sleeping bags	Together: Leadership '81, there is none else.
And crashed on the dirt	
Because our bodies	Together: Lots of Hiking, Boring
They really did hurt	Taking all day long through

We conquered Mount Boney  
And ate our Bologna.

the heat  
Bruce did show up with his  
refreshments  
We thank him for that treat!

### **Sung To The Tune Of “Lucy In The Sky With Diamonds”**

Picture yourself on a trail on Mount Boney  
With Rocks in your shoes and sun in your eyes.  
Everyone screamed as we climbed up the rocks  
Poison oak grows incredibly high.

Chorus: Hiking on the trail with Leadership ‘81 (3x)

Spiders were barking and moons were shining,  
As Tim Hagerty Limped on by  
Look for the beach with the trash on the sand,  
and you’ll know that you have arrived (Chorus)

### **Sung To The Tune Of “Sargent Pepper’s Lonely Hearts Club Band”**

It was 15 years ago today, that ‘81 was on its way,  
We’ve been dreaming for more than a year, and now it’s finally here.  
And now we really want to say, that Leadership is here to stay,  
Leadership 1981  
We are Leadership 1981  
We cam here to sing to you, we went from Boney Ridge to Point Magu,  
And Back to the Kramer Zoo!  
Leadership 19 (2x)  
Leadership 1981.

### **Sung To The Theme of “The Great American Hero”**

Look at what’s happened to us  
We can’t believe it ourselves  
Suddenly outhouses don’t seem so bad  
Compared to the conditions we had

Chorus: Believe it or not, we’ve finished the hike  
We never thought that we could

The trails were tough and the living was rough  
Who would believe that Camp Hess Kramer feels clean.

Remember the sight of our new home, no longer do you hear us groan.  
The Showers that we used to put down before, and now we're stampeding the doors.

### **Sung To The Tune of "To Paradise"**

Sunday's the day we hiked Boney,  
All of us as one  
We kept going, sweating in the sun  
We are Leadership '81

On the way, we had troubles  
Pollock got us lost,  
We heard spiders bark and snakes almost bit us all  
and most of us took a fall.

The hike was long, but we all made it through  
we wrote this song for you.

We were stopped by bee hives  
And the water hose saved the day  
All the guys gave all the girls BA's

The grottos were a beautiful sight,  
The campfire was done by flashlight  
Sleeping on the dirt and rocks  
But we are Leadership '81  
We all had so much fun, etc...

The second day, we all helped to make the breakfast  
packed our bags and left for Point Magu.

Poison oak in the creek, Brian's hat was in the lead  
We had all the spirit we would need.

We helped everyone that we could reach,  
until we finally hit the beach  
Hilltop didn't answer our calls.

We are leadership '81  
We're still having fun, etc...

### **Sung To The Tune of "Aysa Aynai"**

Leadership hike of '81  
Lots of sweat and truckloads of fun  
Up to Mount Boney and back again,  
We all became the best of friends.

Starting at sunrise, Sunday past,  
Back all ready, it all happened so fast.  
Set up camp at Circle X  
After the grottos the beach came next.

Elisa, Carol and Tony  
Adam, Teri and Rich  
When we slept on the sand,  
We couldn't pull the sleeping bag switch!

Medium rare we enjoyed our steaks,  
But the birds preferred our coffee cakes  
Making it back our pride had swelled  
When we arrived that dining hall sure smelled.

On the hike, we did share,  
Helping each other to show that we care.  
We came together when it was done,  
Now we are Leadership '81.
