

SONGS OF LEADERSHIP 1964

We're Leadership of '64
We are the best by far

We traveled up Mount Boney slopes
And slept beneath the stars

Our hearts were light, our spirits bright
The way was good and clear

Give a cheer, give a cheer
For Leadership '64

The sun was hot, the water scarce
The trail was mighty steep

We climbed, we crawled, we kvetched a bit
But our honor we did keep

We're home again at C.H.K.
To sing our spirit song

Never fear, never fear
For Leadership is here!
