

SONGS OF LEADERSHIP 1978

Sung To The Tune of "Hernando's Hideaway"

We know something that make you think...
Of sweat and dirt and things that stink...
A rattlesnake, a yummy steak,
It's called, the hike of '78 - It's Great!

We woke at dawn to eat our meal
Our hike that day was such a schpiel
The meadow gold, the creek so real
It's called, the hike of '78 - OK

Our counselors were Amy, Bruce Sophie,
and Scott, Don, Andy, Rabbi Wolf and Stevie Breuer too
Rich Makoff, Joel, Tony Littman were there to aid
and Rich brought us our food and then our day was made.

We had such fun and we are one, we're Leadership
Please heed our words and what we say
We're glad to be alive today
Try Leadership sometime and see
And you will be as great as we are today
Hurray
Oy Vey
The End

Sung To The Tune of "Help"

When we were younger, so much younger than today
We dreamed of Leadership and the day we'd hike away

But now those days are gone, and I'm not so self assured
Now I find, I've changed my mind, I want to fly home like a bird.

Help me if you can I'm feeling hot,
And I would appreciate some oracot.
Help me, I can't stand the heat

Won't you help the blisters on my feet
My feet are beat, oh...
