

# SONGS OF LEADERSHIP 1963

We are Leadership '63  
We're a darn good group  
And we'll always be . . .

Up Mount Boney slopes  
We did set our hopes  
Fun and teamwork was our key

Up Mount Boney Ridge we did climb  
Everyone hiked hard  
And did mighty fine!

Spirits at their best  
We did pass the test

'Cause Leadership of '63 will always shine!

## **Sung To The Jingle From Gillette Razor**

We look sharp,  
And what's more we are

We feel sharp,  
And we've traveled far  
Mount Boney,  
We never made a slip  
We're the might group of Leadership!

Camp leaders,  
We've become at last  
Other sessions  
Are all in the past  
We're Leadership, Summer '63  
We're the greatest and will always be!
