

SONGS OF LEADERSHIP 1974

Sung To The Tune Of “Be Kind To Your Web Footed Friends”

Marching Song

Be kind to your sore footed friends
Every step that we took was an effort,
How we walked, how we ran in a sweat,
Now we need all the help we can get.

So warm up the showers for us,
Get the soap and the scrub brushes ready,
We don't want to make a big fuss,
Just turn 'em on and keep the water pressure steady.

Boys: We need water, water, water,
Girls: And a place to tinkle too.
Girls: We need water, water, water,
Boys: And a place to poop, poop, poop!

All: Water, water, water,
Soap, soap, soap,
There is nothing wrong with us, we just would like you to...

Repeat From The Top

Sung To The Tune of “Hard Day's Night”

Junior High Song

It's been a long hard hike,
And we've been schvitzing all day through,
It's been a fun 3 days,
But we really did miss you.
And now that we're back with you
We find we're no longer blue
We'll always love you, Junior High.

Junior High, we left you late Saturday night
Now we're back, and everything seems to be right, right, yea!

Repeat From The Top

Leadership Cheer

Aw shucks, you're too much
You're out-a sight, you're all right!

Chorus: But could you hack it
 Aw, but could you hike it

We've been hiking up and down
We've been hiking all around (Chorus)

We're a crew of 63
And our goal is unity (Chorus)

We really walked a lot
Through the cold, and through the hot (Chorus)

We can feel it in our feet,
LEADERSHIP CAN'T BE BEAT!!!

Sung To The Theme From "Gilligan's Island"

We started out from Gildred Hall
Sunday morn at 8,
Headed for Mount Boney Ridge
We knew it would be great (2x)

The weather started getting hot,
Our canteens soon ran dry,
But with the help of Steve Breuer
You see we all survived (2x)

Poison oak is all around,
Pass it down the line,
Put your shirts on right away,

And keep your hand up high (2x)

Our nights were filled with lots of fun

With help from everyone
With Sylvia, and Loren,

With Betty Jo and Lisa too,
With Kenny,

And Mark and the campers
too,

On our Leadership Hike!

Sung To The Tune Of “Free To Be You And Me”

It is hot and it's stony, all the way up Mount Boney,
That's the ridge you all know, where each Leadership goes.
On the way to the top, there's a balancing rock,
And a place where an echo is heard.

Chorus On the hike where Leadership goes, the poison oak grows
 We can't wash our clothes
 (2nd Time) there's dust in your nose
 (3rd Time) Leadership froze
 But Leadership '74 did much more.

After lunch on the peak, we were feeling kind of weak
But we kept going strong, though we wished it weren't so long.
When Circle X was in sight, we all shrieked with delight,
'Cuz Yeager brought us plums and Oracot (Chorus + dust)

Sanchez Ranch cam in view, we stayed there the whole night through
At the first cocka-doodle-doo, we all headed for Magu.
On the trip we all learned, how our forest was burned
So we planted some trees by the sea.... (Chorus + Leadership froze)

Half a Ding-a-Ling

We went on a hike

To Boney and back

When we got to Sanchez

We Cried “Message my back!”

We all lied around

Several hours

The way we all smelled

Wasn't much like flowers

The massages were great
Personally styled,

We all played cards
Loren took the deck

We all enjoyed them
But Pollock went wild.

We kicked him out-a the game
'Cuz he cheated like heck

Oh me! He's riled!
Mark went wild (2x)

Hey boys! Hey guards!
Loren cheats at cards (2x)

Half a Ding-a-Ling (Continued)

We all sat down
And tried to write a song
When we started to sing
Something was wrong.

Big Shot! Big Joke!
We all got poison oak (2x)

The counselors sang great
But something rand a bell,
We realized it was
We were singing like

We've finally gotten back
From hikin' all around
Getting really sweaty,
Puttin' plants in the ground.

Shazaam! Shazunk!
Our singing really stunk! (2x)

We rushed for the shower
Let out a big sigh,
All we have to say is
We missed you Junior High!

We hiked to Point Magu,
The trail got really rough
Makoff wanted to lead us
He told us he was tough.

Oh me!, Oh My!
We missed you Junior High!

He shoved through the pines,
The limbs began to poke.
He thought he was neat 'till he got
Till he got poison oak!

The Leadership Reject Song **Sung To The Tune Of "The Old Gray Mare"**

We were the ones who never were in Leadership
Never made the Boney schtick
That's because we weren't hip

Breuer thought that we were really full of it
And we don't mean Shazam, Shazunk,
That's because we stunk!
(Repeat 2 times)

Sung To The Tune Of "Mrs. O'Leary's Cow

One fine day, when we were interviewed,
Breuer said, "it's no Leadership for you".

But we came back with a mirror,
To show him his mistake.

That we were good then,
and Much better now!
Wrong! Wrong! Wrong!
