WILSHIRE BLVD. TEMPLE CAMPS

 LOS ANGELES, CA. 90010

Ah, what a summer. Lots going on with our programs, our physical plant and our staff.

1998 marked a big step for us in our adventure programming which began two years ago with the building our Ropes Course and Climbing Wall. This past summer over 100 campers went kayaking in our coastal waters or rafted down Class III rapids on the Kern River. Look to our summer 1999 brochure for the addition of a new Backpacking Adventure trip along with the continuation of the ocean kayaking and river rafting programs.

This past summer our teenage boys found a newly improved Piness Village, with rebuilt cabins and a rebuilt Leadership Village shower building. As I write this, we are completing the renovations of the Piness Village bathroom/shower facilities and beginning the renovation of the Leadership Village Tent-Cabins and Bathrooms.

Summer 1998 also marks some sadness as our assistant director, Barbara (Katz) Cobin spent her last summer at camp (so she says!!!). Barb, who is pursuing a Masters Degree in Career Counseling, is continuing with us on a part-time basis through the beginning of the 1999 camping season. Barbara has been instrumental in maintaining continuity at our camps since she began her work with us in 1991. A tireless worker, Barb's spirit, energy and just plain, down-home, good-natured wonderfulness will be missed. The first time I wrote this message (1995) I stated that I could not have asked for a better colleague when I began my tenure with the camps. That still holds true. We all love Barb and I thank her from the bottom of my heart for her continued commitment to the excellence of our camps. We dedicate this yearbook to her.

That said, we welcome Chad E. Brown as our new assistant director. Chad spent the past summer with us and we all look forward to his working at the camps in the coming years.

As always, I give my heartfelt thanks to all of our staff. They are the people that truly make camp happen. Without their hard work and dedication, our camps would not succeed.

We look forward to seeing you all for a great summer '99!
