SONGS OF LEADERSHIP 1966

Sung To The Tune Of "Lo Yissa Goy"

We're Leadership of '66.
Our strength and spirit met the test.
The top of Boney in one day.
For others we led the way.

Hiking, hiking throughout the heat.
None of us would dare retreat.
Onward with no water to spare
And with no fresh clothes to wear.

And now that we have met the test.
We've shown that Leadership is best.
For three long days we've been away
And now we're back to say HOORAY!
