

## SONGS OF LEADERSHIP 2009

### Sung To The Tune Of "Tell Me What You Want" By The Spice Girls

Chorus A:

Do you want to hike with Leadership '09 (2x)  
I wanna (4x) really (x3) wanna hike with L'09

Chorus B:

If you want to start the hike  
You gotta get up a four  
Then one bus got lost  
We were anxious to explore

If you want to hike Mount Boney  
You gotta get with L'ship  
Splashin' in the Grottos  
Down at Circle X

Don't go proposing to Jacey  
She will never marry you so let it be  
(Chorus A)

So here's a story from Camp to the beach  
You wanna hike with the sub, u gotta listen carefully  
We got Paul in the front and Berns in the caboose  
Putting our L'ship skills to good use  
How much longer? 6 minutes  
(Campers)            (Counselors)  
When we walk around riddles all around  
When we settle down gumpsh all around  
(Chorus B)
