

MITZVAH 2019 CHEER

This mitz go loco
Aviva, Aviva, Aviva

This right here is my mitz
All you campers can't touch this
Everybody pay attention
This right here is my
Yellow mitz swag (x4)

Already got us thirty seven all stand
Mitzvah on my mind
tighter than the rest fam
Yellow on our shirts
ruach in our sweat glands
This mitz were in better than the rest fam
Than the rest fam
better than the rest fam
Mitz 1 9 cheering til we can't stand
From the pool to the zone get that slight tan
We don't understand
how a mitzvah can't go ham
Mitzvah 1 9 mitzvah 1 9
We said something else here
but Doug cut our line
Mitzvah 1 9 mitzvah 1 9
We're the best mitz all jokes aside

Hilltop, you love nineteen! You are smiling
know we'll never ever leave
from this mitz dream
'Cause we want ya, and we need ya
And were in yellow always
ONE NINE!!

We gonna ride this mitz on our crazy road
We're gonna cheeeeer till we can't no more
We got the crutches in the back
Our yellow is so swag
We know this is the greatest summer
that we've ever haaaaad
Halutzim you're next
And we don't mean to flex
But there's no topping mitzvah nineteen
don't act so perplexeeeee
Andrea can't say nothin
Hilltop you're our special somethinn

Sing it mitzvah! do ya dance!
We can bring it to all of camp
Mitzvah: Lemme see you mitzvah
Halutzim: Ayyy (x2)
(second & third rounds w/ stomp)

This mitz great cuz we wanna be great
We just took a DNA test turns out
we're 100% that mitz
On Shabbat we're going crazy
Ya we got our own hour
that's the mitzvah in me
Bling bling wearing yellow
we're so bright you can't see
You could've had a bad mitz, were not little
But you got the best mitz on the channel
Our mitzvahs got that sound
ya we be cheering it back
Ya we be loud because our mitzvah's all that

Came through slippin', slip slip (x3)
Mitzvah on the hike we slippin', OUCH

How many miles we walk (a lot)
How many dookies we saw (a lot)
How many people who fell (a lot)
How many needed showers (a lot)
How many stupid hours (a lot)
How many bunny bunnies (a lot)
How many nature pees (a lot)
How many crispy trees (a lot)
How much time we got (6 or 7)
How many tarps we got (NONE)

Coming off of the bus
You know We're mitzvah ONE NINE
Erin Hoover step back
Because we want it all
Halutzim we will miss
But now we are the best mitz
Adam Robb is our head,
Adam Robb is our head (whisper)
And you're watching us cheer now
Nowhere better than here now
We woooooont go
All eyes on us, it's miiiiineteen
We're taking control
M nineteen, best that camp has ever seen
Swimming in our four foot pool
Our mitz makes this summer rule
But you know you can't complain
Mitzvahs here to save the day
Open up my eyes to truth
'Cause We're mitzvah 1 9
