

# SONGS OF LEADERSHIP 2001

## Sung To The Tune Of "Summer Lovin" From "Grease"

L'ship hikin, had me a blast  
On Mount Boney, movin so fast  
Took a break, at Split Rock  
Many of us, popped our first squat

Chorus: Slippin, fallin, free-ballin to  
Oh Oh, on our Leadership Hike  
W-well-a well-a well-a ugh!!

Boys: Tell me more (2x)      Girls: How was the view?  
Girls      Tell me more (2x)      Boys: On the bus did you spew?  
Together: 01, 01, 01 Leadership (2x)

Soon we arrived at Circle X  
Shirts came off, we saw some pecks  
Thought we were done, but we hike some more  
To the Grottos, our legs got sore (Chorus)

Boys: Tell me more (2x)      Girls: Did you like Asaf's soup?  
Girls      Tell me more (2x)      Boys: In Kybos did you poop?  
Together: 01, 01, 01 Leadership (2x)

Where's Kosher matches to light the flame?  
Beans and potatoes, tasted so lame  
Finally, we played some Taboo  
Guys lost, 36-42 (Chorus)

Boys: Tell me more (2x)      Girls: How many bugs did you kill?  
Girls      Tell me more (2x)      Boys: Greg's wake up call was no thrill!  
Together: 01, 01, 01 Leadership (2x)

Poison oak, to the left and the right  
Trail after trail, no beach was in sight

Should we go early, or stay all night long?  
We can't go back, we didn't finish the song! (Chorus)

**Sung To The Tune Of "Summer Lovin" From "Grease"**(Continued)

Boys: Tell me more (2x)      Girls: When will we eat our lunch?  
Girls      Tell me more (2x)      Boys: Can you stop playing gumpsh?  
Together: 01, 01, 01 Leadership (2x)

**Counselor's Song Sung To The Tune Of "Yesterday"**

Yesterday, Sycamore Cove seemed so far away  
But we made it through  
Because we had, each one of you

About to go to bed, there was a smell that almost made us dead  
So much gas for just one girl  
Kelson you're our oyster pearl

Bridge:      Ruby, expert hiker and always in the lead  
                You held our first aid to care for our every need

Gregory, your food connections were so great  
We always had a full plate  
Through this jew walk you had a smiling face

From Israel, Asaf brought his tent and soup  
He told us his is the best way to poop  
You sing like the real groups

Bridge:      Sarah, always falling but you made it through  
                With all your rap songs, you're our favorite ghetto Jew

Danielle, you didn't want Daryl to brush your hair  
You told us all not to care  
Killing Scorpio, you did dare

Michelle, always trying to quiet us  
Even though we made a fuss

We know you still love all of us

(Slower) We made it through, with each of you!

**Sung To The Tune Of “It Wasn’t Me”**

Girls: But so many embarrassing things happened on our hike!

Boys: Say it wasn’t you!

Together: Alright!

Can’t believe that they caught me red handed squatting in the Malibu Hills  
Picture this, we were hot and dirty, but the hike was such a thrill  
How could we forget that everyone could see us pee  
After a day of hiking the Grottos felt good to me

Girls: But I slipped Down Boney

Boys: It wasn’t me!

Girls: Saw us free balling

Boys: It wasn’t me!

Girls: Throwing something over the mountain

Boys: It wasn’t me!

Girls: Thought it was Michelle and Jenna

Boys: It wasn’t me!

Girls: But we used some Gold Bond

Boys: It wasn’t me!

Girls: Playing Wrestlemania

Boys: It wasn’t me!

Girls: Amy where’d you learn that?

Boys: It wasn’t me!

Girls: I have so many blisters!

Boys: It wasn’t me!

Can’t believe all the food that they gave us

Hiking down to the beach

New York Steak and potatoes

and remember the Fruit-a-Freeze

How could we forget the tidal wave that soaked us wet

Now we had to go to bed colder than we’d expect

All these crazy things that happened made us closer than before

Seventy-two new best friends

Now we couldn’t ask for more

Leadership 2001 always sportin’ red and black

Our last year as campers was the best and that’s a fact!

## Cheers

The "P" is for Party

And the "A" is for Alright

The "R" is for Rowdy

And the "T" is for Tight

The "Y" is for You

Cause you know what to do

I said "PARTY" don't let Gordy know

Party cause he won't let you go!

L - L - L with an O

O - O - O with a 1

(Repeat 3x)

Leadership 2001 are you out there?

Leadership 2001 (clap)

The blacker the berry the sweeter the juice!

(Trail off with...)

Once you go black you never go back!
