

SONGS OF LEADERSHIP 1980

Sung To The Tune Of "The Cal Drinking Song"

Hiked, hiked, hiked last night,
Hiked the night before,
Gonna hike tonight like I've never hiked before
'Cuz when I'm hiking I'm as happy as can be
'Cuz I'm a member of the Leadership family

Now the Leadership family is the best family
That ever hiked over from Mount Boney
There's the highland bushes and the lowland waters
And the trail is for Leadership '80

Sing glorious, victorious, one canteen for any four of us
Sing glory be to G-d that there are no more of us
'Cuz one of us could drink the whole canteen, damn near.

Here's to Leadership '80, aru, aru.

Sung To The Tune of "Way Up In The Sky"

Waaaaay up in the sky, where Mount Boney lies
While down in the pits, Leadership sits

Wiiiiiiith the boys on the left, and the girls on the right
Leadership talked, all through the night

Shhhhh! You'll wake the damn counselors!

The hot sun comes up, and stays all day
While we hike some more, and bake like souffles.

Sung To The Tune of "Na-a-le"

We are Leadership '80 yes we are
We are Leadership '80 we've come far (repeat)

We look sad,
We smell bad,
But we're glaaaaaaaaaaaaaaaaaaaaaaaaaad!
To be Back....'80!
